There's Gold In

THE SPOKEN WORD

In many of our past editorial columns we have referred to the record industry as an industry without limitations or boundaries; a business which can attain heights that today may seem impossible.

In the past dozen or so months we have seen further evidence of this in the tremendous growth in popularity of a field which was considered almost completely extinct — the SPOKEN WORD recording.

At present, two of the nation's top ten albums are in this category—namely Shelley Berman's two Verve albums. And there are many others which, although not top best sellers, are enjoying steady success over a surprisingly long period of time.

In recent weeks, announcements from many record companies have indicated that we can expect to see a great deal more comedy spoken word product.

Currently the search is on for comics with fresh and off-beat material because comedy has proven so successful on records.

But the field of comedy may only be the beginning of a trend toward wide public acceptance of other types of spoken word recordings. The fact that so many people will sit and listen to dialogue probably has started many industry people thinking that perhaps now there is a wider market waiting for other types of spoken word recordings such as: excerpts from famous

roles of the screen; famous speeches; radio's greatest moments; classic performances from the theatre, etc., etc. Perhaps this thinking seems "far out" today. But we're sure that the first person to think of comedy succeeding on albums was also looked upon as "far out" only a few months ago. And there is always the Ed Murrow "I Can Hear It Now" series of albums, one of the all time best selling series of recordings, to prove that there can be broad acceptance of spoken word recordings which are not in the comedy category.

Non-comedy spoken word albums such as those mentioned above are not new, but until now they have been issued with a limited market in mind.

Perhaps now, as indicated by the success of comedy disks, a broader market is ready to accept a varied assortment of serious spoken word records.

Spoken word recordings have a tremendous advantage over many other forms of recording in that, in most cases, the cost of producing such pressings, since they involve no musicians and often no elaborate studios and equipment, is not too high.

With comedy spoken word disks proving so successful, you can be certain that many of the keen minds in our industry, who leave no stones unturned, are already examining other broad commercial uses of spoken word material which will add other avenues of income to the record industry.

The Cash Box Pick of the Week

"ALVIN'S ORCHESTRA" (2:57) [Monarch ASCAP—Bagdasarian]
"COPYRIGHT 1960" (1:52) [Monarch ASCAP—Bagdasarian]
DAVID SEVILLE & THE CHIPMUNKS (Liberty 55233)

David Seville and his charming chipmunk friends, Alvin, Simon and Theodore are at it again. Alvin, who merely owned a harmonica the last time out, fronts a 50 piece orchestra this time. The fireworks really get started when Seville discusses the cost of the session. It's another smasheroo for the 'foursome'. There's no doubt 'bout the copyright date on the sunny, swingin' instrumental flip.

"CHATTANOOGA SHOE SHINE BOY" (2:17)
[Acuff-Rose BMI—Stone, Stapp]

"BOSTON (MY HOME TOWN)" (2:02) [Conley BMI—Slay, Crewe]
FREDDY CANNON (Swan 4050)

"Chattanooga Shoe Shine Boy" (the Red Foley hit of the 40's) can easily turn out to be Cannon's 4th 'location' smash-in-a-row ("Tallahassee", "Okefenokee" and "New Orleans"). It features another sock sales job by Freddy and the ork, this time with loads of swing era flavor. Artist continues his musical tour of the states with "Boston", a terrific new rock coupler that also has what it takes for chartdom.

"THIS MAGIC MOMENT" (2:28)
[Rumbalero-Tiger-Tredlew]
BMI—Pomus, Shuman]

"BALTIMORE" (2:10)
[Jot-Tiger BMI—Lebish,
Patterson, Coleman]

THE DRIFTERS (Atlantic 2050)

Both ends of the Drifters' new release are as different as day and night and both are good bets to follow in the hit footsteps of "Dance With Me" and "True Love, True Love". "This Magic Moment" is a captivating string-filled romancer from the rock-a-ballad school while "Baltimore" is a sensational beat-filled house rocker. Again it's Stan Applebaum supplying the tremendous arrangements.

"PARADISE" (2:03) [Leo Feist ASCAP—Brown, Clifford]
"I'D BE A FOOL AGAIN" (2:02)
[Herbert ASCAP—Benjamin, Marcus, Lopez]

SAMMY TURNER (Big Top 3032)

Turner can do with his modernization of "Paradise" what he did with "Lavender Blue" and "Always." Chanter's tantalizing warbling of the years back Russ Columbo hit coupled with a fabulous sultry beat-ballad Stan Applebaum arrangement makes this a standout platter. It's a powerhouse. Get with it. Flipside he pleasantly shuffles thru "I'd Be A Fool Again."

"CHATTANOOGA CHOO CHOO" (2:28)

[Leo Feist ASCAP—Warren, Gordon]

"WORKIN' OUT" (2:09) [Foresite, Mardon BMI—Hall, Johnson, Palmer]
ERNIE FIELDS (Rendezvous 117)

The Fields ork, coming off the smash instrumental rock-revival of the Glenn Miller favorite, "In The Mood," hops on another wonderful oldie also associated with the Miller crew. This time it's Chattanooga Choo Choo" and it's cut from a similar jump mold that fashioned the initial hit. Looks like two-in-a-row for Fields. However, don't overlook the flip, an exciting rhythmic blueser, tabbed "Workin' Out". Can also make it.

"WHO YOU GONNA LOVE" (2:01) [Ray Charles BMI—Charles]
"MY BABY (I LOVE HER, YES I DO)" (3:00)
[Ray Charles BMI—Charles]

RAY CHARLES (ABC-Paramount 10081)

Ray Charles brings his great vocal and instrumental talents to the ABC-Paramount label with this debut slice tagged "Who You Gonna Love". It's an exciting spiritual-flavored, up beat romancer on which Ray infectiously blends with the Raelets. Ray and the gals slow things down on the "My Baby" stanza as he shares the 'wailing spotlight' with Margie Hendrix. Sock dual-mart pairing.

"I WANT TO KNOW EVERYTHING" (2:17)

[Acuff-Rose BMI—Bryant]

"GUARDIAN ANGEL" (2:20) [Jamie BMI—Redd]

MITCHELL TOROK (Guyen 2032)

Ace tunesmith Boudleaux Bryant provides Mitchell Torok with a delectable piece of romantic material that could put the chanter in the charts again. Tune, a soft cha cha beat cutie tagged "I Want To Know Everything," makes for a refreshing change-of-pace from his quick beat "Caribbean" and "Mexican Joe" Latin clicks. The tender, beat-ballad romantic pleader, "Guardian Angel" also has the chart goods. Potent pairing.

BOBBY MILANO (Time 1019)

B+ "RUBY" (2:20) [Miller ASCAP—Roemheld, Parish] The awhile back success by Richard Hayman is nicely revived for the teenagers. Milano's vocal has strength and an interesting guitar beat highlights the support (male chorus included). Might get around.

B "DO I LOVE YOU" (1:37) [Admont ASCAP—Corpora, Milano] Italian-flavored romancer receives an attractive rock-a-cha format.

FRED ELLIS (Coral 62166)

B+ "THE FACE OF AN ANGEL" (2:18) [Brighton Fleetwood ASCAP—Arlotta, Secunda, Horne] Vocalist does an honest job on the tender affair about a guy whose sinful life is changed by his newly found love. Femme chorus offers bits ala the Flamingos' "I Only Have Eyes For You" hit.

B "TIME" (2:25) [Bayer ASCAP—Arlotta, Paige] Ellis sings about a lost love with conviction. Artist can sing.

JIMMY ALLEN (Al-Brite 1200)

C+ "MY GIRL IS A PEARL" (2:20) [Intro Luxcraft ASCAP—Tasso, Foster] Allen and songsters offer a quick-beat, gimmick loaded R&B-styled blend.

C+ "FORGIVE ME, MY DARLING" (2:25) [Intro & Luxcraft ASCAP—Tasso, Foster] A soft pleader the kids should feel for.

EDDIE DE MARR
(Columbia 41555)

B+ "IT'S ROUGH) THIS TIME OF YEAR" (2:45) [Saunders ASCAP—Pober] De Marr offers a fine vocal on a better newcomer among ballads. The Glenn Osser ork-chorus backdrop is a lush mention-of-the-beat affair. A date that could make a move.

B "HAPPINESS" (2:25) [Valiant ASCAP—Mysels, Rubens, Edelheit] A pleasing croon job. Tune sometimes sounds like "Misty."

APRIL AMES (Unical 0004)

B+ "OH MY JOHNNY BOY" (2:22) [Lenmar BMI—Allen, Garey] Interesting folk-like affair about a lover going to war is attractively styled by the songstress against catchy combo beat (chorus is effective). Could pick-up important coin.

B "YOU ARE MY SUNSHINE" (2:40) [Southern BMI—Davis, Mitchell] Thrush eases thru the oldie's verse and then effectively multi-tracks the refrain. Combo has a beat similar to the top-half. There's appeal here, too.

MILLER SISTERS (Miller 1140)

B+ "REMEMBER THAT" (2:32) [Miller Songkraft BMI—Miller] Femmes have a different-sounding R&B-styled rock-a-cha date here. Blend on the intriguing melody receives a fine combo setting. Might get places.

B "OH LOVER" (2:40) [Miller Songkraft BMI—Larramore, Miller] This ballad blueser by the team also reflects original thoughts.

SCOTTY McKAY (Swan 4049)

B+ "LITTLE LUMP OF SUGAR" (2:30) [Conley BMI—Slay, Crewe] McKay belts in pro fashion and his sock combo setting knows the teen ropes, too. Item could produce for the label.

B "MIDNIGHT CRYIN' TIME" (2:29) [Conley BMI—Slay, Crewe] More beat sparkle as McKay and musicians tackle a romping blueser.

JACK EVANS (Kayo 502)

B "COLETTE" (2:21) [Tweety BMI—Evans] Cheerful type rock-a-cha outing. Evans tells about his French chick and the combo-chorus supports colorfully. Can get some action.

C+ "WHAT CAN I SAY (After I Say I'm Sorry)" (2:24) [Miller ASCAP—Donaldson, Lyman] Good hard-beat sentiments for the ever-green. The percussive sounds are effective.

JOHNNIE & JOE
(ABC-Paramount 10,079)

B+ "I WANT YOU HERE BESIDE ME" (2:16) [Pamco BMI—Garvin] Sound-wise pop-R&B songsters (chart artists with "Over The Mountain And Across The Sea") have a side here that could make the grade. Catchy theme is warbled against an emphatic rock-a-cha combo beat. Keep tabs on it.

B "I ADORE YOU" (2:25) [Zells BMI—Sanders] This end, the duo turns to a fetching ballad on the order of "The Great Pretender."

ROSE HARDAWAY (Seeco 6048)

B "THE LONESOME ROAD" (2:20) [Paramount ASCAP—Austin, Shilkret] Miss Hardaway's solid warble gets a Dixieland-like accompaniment. Jocks may want to try side.

B "NIGHT AND DAY" (2:33) [Harms ASCAP—Porter] Stylist gives the classic an individualized stamp against a swing-rock stand by the Sammy Lowe ork.

TOMMY BRITT (Unison 202)

B+ "YOU KNOW HOW THINGS GET AROUND" (2:40) [Hummable ASCAP—Mizzy, Curtis] Britt nicely handles the very amiable theme with a people-will-say-we're-in-love theme. With enough air-time, this item can step-out.

B "GIRL CRAZY GUY" (1:37) [Hummable ASCAP—Mizzy, Curtis] Britt and the combo-chorus rip effectively thru the novelty. There's an interesting beat here. London Records distributes the label.

RUBY LANE (Colpix 139)

C+ "BABY WON'T YOU PLEASE COME HOME" (2:42) [Williams Warfield, Williams] Thrush offers a heavy-voiced version of oldie against a good swing touch from a Benny Carter directed ork.

C+ "FOR—ONE BROKEN HEART" (2:32) [Winston-Hoffman, Saronne] Deliberate essay on the moody.

The Cash Box Pick of the Week

"WAS IT A DREAM" (2:00)

[Swarthmore, Marble ASCAP—Catalano, Kulaga]

"THE MOON'S NOT MEANT FOR LOVERS (Anymore)" (2:12)

[Swarthmore, Marble ASCAP—Schwartz]

ROYAL TEENS (Capitol 4335)

● The teeners could have a two-sided click follow-up to their chart-riding Capitol bow, "Believe Me". Leadoff side is a warmly attractive, slightly up tempo love affair dubbed "Was It A Dream". More in the rock vein is the "The Moon's Not Made For Lovers Anymore" portion. Either, or both, can make it.

"JUST ONE TIME" (2:45) [Acuff-Rose BMI—Gibson]

"I MAY NEVER GET TO HEAVEN" (2:40)

[Tree BMI—Killen, Anderson]

DON GIBSON (RCA Victor 7690)

● The pop-country wax star, whose long list of two-market credits currently includes "I'm Movin' On" and "Big Hearted Me," should soon have another hot item in "Just One Time." It's a romantic heartbreaker done up in Gibson's enticingly familiar thumping guitar and drum fashion. The touching coupler is a beat-ballad beauty that can also come in for big dual-mart coin.

"SOMEONE LOVES YOU, JOE" (2:20)

[David BMI—Kolber, Strassberg]

"THE EMPTY MAILBOX" (2:27) [One O'Clock BMI—Kett]

THE SINGING BELLES (Madison 126)

● The label, currently hot with the Viscounts' "Harlem Nocturne," can have another big one via the Singing Belles' debut, "Someone Loves You, Joe." Tune, a "keep-faith" romancer starts off in contagious march tempo picks up the pace with each chorus and ends up in real swinging style. Gals' delightful piping receives a bright Jack Olsen-led choral and musical showcase. Watch this one take off. Haunting change-of-pace companion piece is a tear-compelling beat-ballad romancer.

"(BLUES FROM) AN AMERICAN
IN PARIS" (2:08)

[New World ASCAP—Gershwin]

"FIDDLER'S BOOGIE"
(2:43)

[Pickwick ASCAP—Lockyer]

THE KNIGHTSBRIDE STRINGS (Top Rank 2031)

● The British crew can repeat its "Cry" success with either end of these two fine string outings. They're lush and lovely on "Blues From An American In Paris," from the famed Gershwin orchestral piece, and lush and rhythmic on the newcomer, "Fiddler's Boogie." Back-to-back winners here.

"OL' MAN RIVER" (2:34) [T. B. Harms ASCAP—Hammerstein, Kern]

"THE YOUNG AND THE LONELY" (2:12)

[Spanka BMI—Jay, Harris]

NAT WRIGHT (ABC-Paramount 10078)

● Chances are "Ol' Man River" is gonna be rollin' on forever. The tune looks like it's in for another chart go 'round because of Nat Wright's fine ballad-with-a-beat stylings. Sid Feller's ork and choral support helps make this a listening must. Backing is a very lovely beat-ballad lilter that can also catch on. Wright has a big wax future.

"IT CAN'T BE WRONG" [Harms ASCAP—Gannon, Steiner]

"I WAITED SO LONG" [Northern ASCAP—Evans, Livingston]

FAYE ADAMS (Lido 606)

● The thrush, who had the while back two-market click, "Shake A Hand" (Ruth Brown's current hit revival), can grab the national spotlight with her stellar ballad-with-a-beat re-fitting of the tearful evergreen, "It Can't Be Wrong." Charles Shirley's up-to-date string-filled backdrop rounds out a winning entry. More of the same on another oldie-lovely, "I Waited So Long."

"NEPTUNE" (Part 1) (2:10) [Sound-O-Rama, Mecca ASCAP—Benskin]

"NEPTUNE" (Part 2) (2:20) [Sound-O-Rama, Mecca ASCAP—Benskin]

SAMMY BENSKIN & THE SPACEMEN (Clock 1018)

● Benskin and the Spacemen, who clicked via the "The Clouds" on Alton, pop up on the Clock label with what appears to be a chart follow-up in "Neptune." It's an easy-on-the-ears, after-hours rhythmic blueser taken for a 2-part ride. Jocks in both pop and R&B circles'll find this tasty programming.

DON CORNELL (Signature 12027)

B+ "GRATEFUL" (2:10) [Rojan ASCAP—Schroeder, Kalmanoff] A tender romantic is in the capable croon hands of songster Cornell. The big Milton DeLugg ork-chorus has teen finesse.

B "ONLY TIME WILL TELL" (2:26) [Almimo BMI—Randazzo] Another date with that authoritative Cornell touch. Again the backdrop is teen-wise.

GINGER PEPPY (Josie 871)

B "SHY GUY" (2:20) [Benell BMI—Oliver Thrush] Thrush warbles a catchy novelty romantic against a Latinish rock backdrop (flute included). Playful date. Keep an eye on it.

B "SHOW ME" (2:14) [Benell BMI—Oliver] Miss Peppy gets the point of this wistful affair.

TONY ROMANO (Dynasty 6420)

B "DON'T WANT THE MOON-LIGHT" (Guarda Che Luna) (1:58) [So. ASCAP—Malgoni, Stellman] Songster catches the sentimental spirit of this Italian romancer. Femme narrates English version of Romano's reading and the combo has good-sounding guitar bits.

C "YOU'LL LIKE BEING LOVED" (1:50) [Ardmore ASCAP—Romano, Hayden] A "smart" swinger.

JON & SANDRA STEELE
(Golden Crest 539)

B "THERE'S A SMALL HOTEL" (2:07) [Chappell ASCAP—Rodgers, Hart] There's lots of pleasing warmth in the song-duo's handling of the great oldie. A soft Latin-styled combo chore offers attractive support. Of particular deejay note.

B "HIS AND HERS" (2:08) [Gamut ASCAP—Leviton] Twosome gets another Latin backdrop for their warbling of the cute romantic novelty. Both dates are from the pair's LP named after this session.

RUSTY DRAPER (Mercury 71581)

B "ANYTIME" (2:24) [Hill & Range BMI—Lawson] Performer brings back one of Eddie Fisher's big ones with a good medium-beat sound. David Carroll leads the smart swinging from the ork-chorus.

B "THAT LUCKY OLD SUN (Just Rolls Around Heaven All Day)" (3:15) [Robbins ASCAP—Gillespie, Smith] Draper eases nicely thru the Frankie Laine-associated item.

GINNY ARNELL (Decca 31033)

B "BRAND NEW" (2:20) [Roosevelt BMI—Covay] Youngster hops nicely on the catchy romantic. Gals chant effectively in the backdrop. Affable rock date.

C+ "MISTER SAXOPHONE" (2:21) [Aldon BMI—Sedaka, Greenfield] A lazy sax appropriately highlights the instrumental portion of this blueser.

JORDAN WHITFIELD
(Disneyland 128)

B "HEAVEN" (2:30) [Walt Disney ASCAP—Foster, Baker] Per former—featured in the Walt Disney "Swamp Fox" TV'er—does a sincere vocal on the tender inspirational. An ork-chorus gently supports.

C+ "LET THERE BE PEACE ON EARTH (Let It Begin With Me)" (2:28) [Jan Lee ASCAP—Miller Jackson] Same sort of stand here.

BILL DEAN (Coral 62163)

B+ "SECRET CRUSH" (2:02) [All State BMI—Carroll, Moody] Lot of good-sounding beat bounce to this survey by vocalist Dean and happy combo-chorus. Kids will like the tune full opus. Can get some coin.

B "BEYOND MY WILDEST DREAM" (2:21) [Lorob BMI—Medley] Dean keeps it sentimental here. Has soft-beat appeal.

DAVE MARTIN (Virtue 1)

C+ "OLD MAN RIVER" (2:48) [T. B. Harms ASCAP—Kern Hammerstein] After a slow group go at the standard's verse, Martin takes the lead in a sock reading. Might interest some teeners.

C "BLUE BIRD OF HAPPINESS" (2:08) [T. B. Harms ASCAP—Harmati] The Jan Peerce-associated item is given the sentimental-beat touch all the way thru.

AL BELLETO BAND (King 5325)
(Jazz)

B "BASICALLY BLUES" (2:42) [Lois BMI—Wilson] Side's blueser alright and approach has some good rock thoughts, particularly from the jazz. Can be spun as a jazz and/or teen-styled entry. Fine instrumental sound.

B "LI'L DARLIN'" (2:43) [Nea Hefti ASCAP—Hefti] A theme familiar to jazz buffs is smoothly portrayed. Likable listening.

WALTER PERKINS MJT + 3
(Vee-Jay 340) (Jazz)

B "THE WHIFFENPOOF SONG" [Miller BMI—Minnigerode, Pomerooy, Galloway] Sax heads this brisk jazz survey of the standard. Both muted trumpet and keyboard get a solo say.

B "SLEEPY" (2:04) [Tollie & Bryant's House BMI—Bryant] This deliberate essay has a number of unique touches.

TED SHEELY (J-V-B 5003) (Jazz)

B "PORGY" (2:57) [Gershwin ASCAP—Heyward, Gershwin] The recent Nina Simone hit receives a thoughtful jazz reading from the organ-sax spotlighted combo. Fine mood feel here.

B "EAGLE SHUFFLE" (2:15) [JVB BMI—Sheely] Musician present a good basic-blues session with organ and sax again sharing the limelight.

The Cash Box Pick of the Week

"SCANDINAVIAN SHUFFLE" (1:37) [Suchan ASCAP—Asmussen]
"HOT TODDY" (1:21) [Valley Ent. ASCAP—Hendler, Flanagan]
THE SWE-DANES (Warner Bros. 5144)

• The Swe-Danes, Alice Babs, Ulrich Neumann and Svend Asmussen, come up with an engaging platter that should please the jocks enough to help send it on its merry sales-way. It's a happy shuffle-date, tabbed "Scandinavian Shuffle," featuring a contagious jazz-sans-lyric vocal and banjo-led backdrop. "Hot Toddy," the old Ralph Flanagan hit, is revived with charm by the crew and swingin' ork. Deck has something of that Lambert, Hendricks and Ross approach. Watch this group.

"SO RARE" (2:20) [Robbins ASCAP—Sharpe, Herst]
"LONGING, LONGING, LONGING" (2:08) [E. B. Marks BMI—Ross]
MAVIS RIVERS (Capitol 4333)

• The oldie, "So Rare," which the late Jimmy Dorsey revived hit-wise a short while back, stands a strong chance of making the grade once again. Artist is Mavis Rivers and her fine light-swing (ala Ella Fitzgerald) jazz style could carry the tune to clicksville. Coupler is a beautiful romancer taken for a slow, steady beat ballad ride. Top notch Bob Thompson orchestral assists on both halves.

"WHAT DO YOU WANT TO
MAKE THOSE EYES AT ME
FOR?" (1:57)

[Leo Feist ASCAP
McCarthy, Johnson, Monaco]

SUNNY GALE (Warwick 526)

• Sunny Gale can latch onto two strong chart positions with her very first Warwick outing. She leads off with a happy-go-lucky toe-tapper, brought back from those good old vaudeville days, tabbed "What Do You Want To Make Those Eyes At Me For" (the current English chart-topper). "Falling Star" is an ultra lovely ballad affair that has those grow-on-you qualities and can be the big side in the long run. Ralph Burns' ork ably assists on both halves.

"FALLING STAR"
(2:25)

[Sequence ASCAP—
Garson, Shumann]

The Cash Box Best Bets

EDDIE HOLLAND
(United Artists 207)

B+ "MAGIC MIRROR" (2:20)
[Jobete BMI—Gordy] Holland could succeed with his R&B-styled medium-beat rhythmic. Gals and combo give-out with interesting effects. Ought to be eyed.

B "WILL YOU LOVE ME"
(2:22) [Jobete BMI—Gordy] The songster hands-in a poignant ballad performance. Strings are used well.

LOU MONTE (RCA Victor 7689)

B+ "GUARDA CHE LUNA"
(2:55) [Peer Intl. BMI—Malgoni] An attention-getting, dramatic Italian ballad is given a strong Monte vocal against an equally strong rock-a-string backdrop from the Hugo Winterhalter ork-chorus. Performer could have something here.

B+ "REMEMBER THIS GUMBA"
(1:55) [Romance BMI—Gurreri, Assenza] Monte is heard in his familiar role as a happy purveyor of Italian novelties. Eye this one, too!

JOHNNY DAVID (Gil 104)

NICK ADAMS (Mercury 71579)

B+ "BORN A REBEL" (1:40) [Oviv & Neila ASCAP—Ross, Haskell] Adams — star of TV's "The Rebel"—has one right up the show's alley: it's a rousing Dixieland-shout affair. Side's exciting and could do things.

BOB GADDY (Old Town 1077)

JIMMY WAKELY (Shasta 127)

B+ "I HEARD AN ANGEL CRY" (2:29) [Mono BMI — Cotton, Williams, Guilbeau] An appealing plaintive track from the country-pop songster. Opus has a "Crying In The Chapel" feel and both Wakely and his combo-chorus treat it sincerely.

B "FREE PASSES" (2:18) [Dominion BMI—Karmen] A driving invitation to the gal and should do well as a hoptime item.

GENE KRUPA (Verve 10200)

B+ "MAIN TITLE" (1:24) [Columbia Pictures ASCAP—Stevens] An exciting drum date by Krupa that stems from the soundtrack of the Sal Mineo-starred Krupa flick bio. Volatile job that could make noise.

**Haley's "Tamiami" Launches
WB's Gold Record Promo**

HOLLYWOOD—With the issuance of Bill Haley's new single, "Tamiami," Warner Bros. Records is instituting a new "Gold Record" promotion. Each month, WB will select one of its singles to receive "Gold Record" concentrated effort from all sales and promotion personnel.

All copies of the single going to radio stations and promotion men will be pressed from a gold biscuit, giving the record itself a gold color. Additionally, special gold and blue sleeves and a gold mailing envelope have been prepared to accompany the promotional copies. New gold labels for the promotional copies have been devised to carry out the "Gold Record" theme.

To promote the "Gold Record" program, WB is issuing "Royal Proclamations" to all disk jockeys receiving the disk. Orders from label's distributors will be solicited by Western Union messengers. Sound trucks will be used to broadcast the Haley disk in the vicinity of high schools in all territories. A special meeting will be sent to the over 1500 Bill Haley fan clubs.

All regular sale copies of the Haley disk will be pressed on the conventional black biscuit with the four-color label WB introduced last month.

Decca Issues 2 Disk Catalogs

NEW YORK—Decca Records is issuing two new catalogs of its product. One is a general catalog that describes and illustrates the complete Decca line of pop and classical recordings.

The other listing—tabbed the "Decca Educational Catalog"—consists of material from the label's library that is applicable to education. Indexed by grade level and teaching material, the catalog will help teachers find records that will be useful to them in many areas of education.

The general catalog is being made available through Decca dealers. The educational catalog may be obtained by any teacher, supervisor or others interested in this type of material by writing directly to: Decca Educational Division, Attention Ben Deutschman, 445 Park Ave., New York 22, N. Y.

THE SWING IS TO

Here's the single record that's taking the country by storm.

- Plays at 33 $\frac{1}{3}$ r.p.m.—the speed where stereo sounds best.
- No bothersome inserts or special spindles needed.
- Here's a brand new single record market made up of stereo and regular album buyers.

Hats off to Seeburg who have seen the immediate potential of "Stereo Seven" and have called it the "singles" record of the future. The new Seeburg machine plays "Stereo Seven" easily and efficiently and opens up a brand new market for Juke Box play.

RALPH JEROME (KP 1007)

B+ "I BELIEVE YOU CARED" (2:37) [K-P BMI—Millman] The young KP label could have a click on its hands with this touching fish-beat romance convincingly essayed by Ralph Jerome. Haunting, chorus-supported outing that rates close attention.

B "ROCKHOUSE" (2:53) [HiLo BMI—Jenkins, Orbison] Tempo picks up for a sensuous rock stanza on this end.

ALL ABOUT DISK JOCKEYS

Jack Armstrong (WEPP-Pittsburgh), in New York for a pleasure trip, dropped in at the office to tell us that he's not "The All American Boy." Back in Pittsburgh this week, Jack phoned long distance to report two disks that have taken off in his area while he was gone: the Four Seasons' "I'm Still In

BILL HOUGHTALING
(KMUR—Salt Lake City)

Love With You" (originally titled "Sweat it Baby") on Alanna, and Johnny Ferguson's MGM disk of "Angela Jones". . . . KONO-San Antonio, Tex. is bringing in "The Biggest Show of Stars for '60" for a Feb. 15 appearance at the Municipal Auditorium. Included in the star-studded line-up are Frankie Avalon, Clyde McPhatter, Bobby Rydell, Johnny and the Hurricanes, the Crests, Freddy Cannon, Sammy Turner, the Isley Bros., the Clovers, Linda Laurie, Cliff Richards, and Paul Williams and his ork. . . . Don French, PD of KDWB-Minneapolis-St. Paul, became a father on Jan. 20 with the birth of Catherine Marie. . . . The big swing is to jazz, as evidenced by the flood of announcements of new jazz shows. The latest comes from KWOW-Pomona, Cal. where Duke Anderson debuted an all-jazz show Jan. 15 directed primarily at the students of the five colleges in the area. Duke also bowed another show that date titled "The

Golden Years" on which he plays music from the '30's and '40's. . . . Jerry Fuller also hops on the jazz wagon with "Gems of Jazz," a Saturday, 3-hour date aired over WFAA-Dallas, Tex. . . . And then Symphony Sid (Torin), who has the only daily jazz show in New York (WEVD), gets competition from WNCN-FM with five hours of jazz every day. Communicating Arts Corp. which will launch the new policy, was formed by three young execs at United Artists Records, Tom Wilson, DeDe Daniels and Ron Nackman. The Corp. will bring in some of the most prominent names in jazz to handle the announcing chores, including Nat Hentoff, Martin Williams, Ira Gitler, Dom Cerulli among others. . . . Also, Roz Ford, who spins jazz for WWIN-Baltimore, has had his airtime extended due to popular support. . . . Promo man Buddy Basch off to see deejays in Boston, Hartford, Albany, Washington, Philadelphia, Pittsburgh and Buffalo to tell them about Verve's original cast LP, "The Gene Krupa Story."

Bill Houghtaling, program director of KMUR-Salt Lake City, and his wife Marie are currently enjoying a two week vacation in Switzerland courtesy of the Watchmakers of Switzerland. This is Bill's first prize in the First Annual NARAS DJ Grammy Contest, in which he won out over more than 1,000 other jockeys in correctly naming most of the 34 NARAS winners. . . .

LARRY GAR
(WLBG-Laurens, S.C.)

Larry Gar (WLBG-Laurens, S.C.) notes excitedly that Wade Cooper's "I'm Gonna Love You So" (on Ember) is getting the kids' attention down his way. . . . Joe Wippler, WMGM-New York newscaster notes that a number of top rated deejays have been turned out at his school of announcing and speech. The school has been in existence for a number of years. . . . We stand corrected: In the Jan. 23 column we reported that KSJB-Jamestown, N. Dak. became the first station in the area to begin broadcasting on a 24 hour basis. Jerry Bright of the Traffic Watch at KNOX-Grand Forks, informs us that KNOX and KBOM-Bismarck beat them to the punch. Thank you Jerry. . . . Leonard Smith reports local attention is being focused upon a new group, the Swingin' Earls, and their Vega slicing of "All I Do Is Dream Of You". . . . Sid Knight, of WAME-Miami, Fla., is appearing nightly as emcee of the underwater ballet at the Everglades Hotel. Sid invites anyone making it there for a vacation to be his guest at the festivities. . . . And then Sid Woods sends us greetings from the "Florida of the Notheast" (?), WRAP-Roanoke, Va. with the word to look out for the new Spacemen disk on Clock, "Neptune" parts 1 & 2. . . . Bob Evans, John Price, Mike Hight and Henry Reeves (all of WHVH-Henderson, N.C.) are broadcasting nightly from the Platter Perch atop the Anchor Drive-In there.

RCA Victor Launches 2nd Stereo Sale

NEW YORK — As a follow-up to last year's Save-on-Stereo sale, RCA Victor is launching a second stereo sale on February 15, it was announced by J. Y. Burgess, Jr., manager, commercial sales and merchandising department. The new program will offer consumers any Victor stereo record for \$1 when the consumer buys one in the same category at the regular price. The sale will terminate on March 15.

The entire Victor Stereo catalog of more than 450 albums will be offered to consumers in this stereo sale. At the same time the entire RCA Camden stereo catalog will be promoted along with RCA Victor LP's, at the same price of \$1 when one is bought at regular price.

Full-page RCA Victor ads on the promotion will appear in national magazines and record publications

throughout the country.

Point-of-sale wise, Victor is making available a variety of over-the-wire hangers, window streamers, counter merchandisers, counter cards, and a special 45-page stereo supplement. Ad mats in various sizes will also ship.

Special ads on RCA Camden's stereo sale will appear in Cosmopolitan and Look. Special RCA Camden stereo counter merchandisers, supplements, window streamers and ad mats will be available.

"Last year's Save-on-Stereo promotion helped to get stereo off to a flying start," Burgess said. "This year's campaign, which is even bolder and more aggressive, is sure to expand the stereo market even more by providing extraordinary values for consumers hungry for genuine bargains".

Harmony Issues 7 LP's

NEW YORK—Columbia's Harmony label features seven releases for the month of February, ranging from opera to jazz.

Specific titles: "Basie's Best," with Count Basie and His Orchestra; "In Dancing Mood," with Sammy Kaye and his Swing-and-Sway Orchestra; "Young at Heart" by Rosemary Clooney; "Velvet Guitar," featuring Hank Garland on guitar; "The Lonesome Symphonette," playing overtures and themes from Great Opera favorites; "Real Barbershop!" by the Martones; and "Cowboy Songs for Children," featuring various solo and group artists.

Wynne Buys Master From Virtue

NEW YORK—Wynne Records has purchased the master of "Blue Bird of Happiness" by Dave Martin from Virtue Records, an indie diskery in Philly. Local reaction prompted the deal, the label said.

The disk has been initially released under the Virtue label and may later be switched to Wynne. All Wynne distributors thru-out the country will be handling the record with the exception of the Philly area, where the label's previous local distrib will handle the deal.

Morris Diamond Named National Promo Director for Hanover-Signature

NEW YORK—Morris I. Diamond, promotion man, has disassociated himself from Carlton Records to take over as national promotion director for the Hanover-Signature record firms.

With Carlton, since its inception, Diamond has guided the promotional activities and campaigns of Jack Pott, Paul Evans, Gary Stites, Anita Bryant and Jesse Lee Turner.

"For a long time," says H-S prexy, Bob Thiele, "we've tried to get a man of the same calibre as Diamond, and now we feel fortunate in securing his services".

Reporting to Irv Stimler, vice president in charge of sales, Diamond's initial activity will concern the Serino matter of "I Had The Craziest Dream"; Barbara McNair's, "He's a King"; Ray Bryant's, "Susie, Part 4".

Thiele also announced the appointment of Nat Fields as director of public relations for the firm. Fields currently handles public relations for such show biz personalities as Sam Stevenson, Peter Lind Hayes and Mary Kaye, Dennis James and Johnny Carson.

February Is Conniff Month At Columbia

NEW YORK—Following its "tremendously successful" "Mathis Month" campaign in January, Columbia Records has announced a similar all-out promotion drive in February for maestro Ray Conniff, currently on best-selling charts with "Conniff Meets Butterfield" and "'S Marvelous".

"The Conniff Sound in February" will be sparked by Ray's newest release, "Concert in Rhythm, Vol. II", featuring the Conniff singers and orchestra in "The Warsaw Concerto", themes from Tchaikovsky, Grieg and Puccini, and other favorites.

Promotion and merchandising aids have been provided by the coordinated efforts of Columbia's Creative Services Department including Advertising and Sales Promotion and Publicity Departments. These include a floor merchandiser for full-face display of six albums, topped by a "Shopper Stopper" sign; a turntable for window or counter use featuring "Concert in Rhythm, Vol. II" and other Conniff albums; a special consumer booklet highlighting the entire Conniff catalogue and other February Columbia products.

Full-page ads in major trade publications will alert dealers, disk jockeys and jukebox operators to the promotion.

Omega-ARDCO Holiday LP Promo Called Success

LOS ANGELES—A holiday promotion was inaugurated to announce the association of Omega Records and ARDCO (Allied Records Distributing Company) and paid dividends in terms of sale of more than 100,000 albums, according to Mike Elliot, ARDCO general manager.

The promotion offered the consumer regular \$4.98 and \$5.98 Omega albums for \$3.98 with a second album costing an additional 1¢. In-store and window display pieces and dealer newspaper mats were used to effectively publicize the promotion at a local level.

Ned R. Herzstam, VP of ARDCO, said the success of this promotion "substantiates the effectiveness of ARDCO's nation-wide distribution organization and is the beginning of a new policy whereby a series of such promotions will be launched by Allied for independent record companies who release through ARDCO."

POPULAR PICKS OF THE WEEK

"THIS IS DARIN"—Bobby Darin—Atco 33-115

Having arrived on the scene as a legit performer with definite adult appeal, the dynamic Darin comes up with another thoroughly exciting album. And again Richard Wess is the guiding light behind the clever but effective arrangements, noticeably on the swinging version of "Clementine" and the pulsating "Caravan." The selections are mostly standards and include "Black Coffee," "Down With Love," "The Gal That Got Away" and "I Can't Give You Anything But Love." On both ballads and swingers Darin makes an indelible mark. Top album seller.

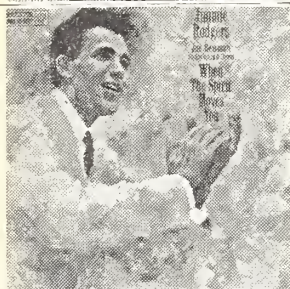

"LATIN ALA LEE!"—Peggy Lee—Capitol ST 1290

The song stylist takes a batch of Broadway show tunes, wraps them in contagious Latin settings, and sells them vivaciously in her accustomed manner. Jack Marshall is the man behind the Latin beat, prodding Miss Lee to swinging heights on "Hey There," "The Party's Over," "C'est Magnifique" and "I Enjoy Being A Girl" among others. An exciting session with sock salability.

"WHEN THE SPIRIT MOVES YOU"—Jimmie Rodgers—Roulette R 25103

With folk music his basic medium, Rodgers is right at home with this collection of spirituals and gospel numbers. This is the real folk music! Joe Reisman's ork and chorus back up the singer on such beloved items as "Goin' To Shout All Over God's Heaven," "Joshua Fit the Battle of Jericho," "Just a Closer Walk With Thee" and "Standin' in the Need of Prayer." The approach is strictly for pop tastes, and Rodgers' following there is immense.

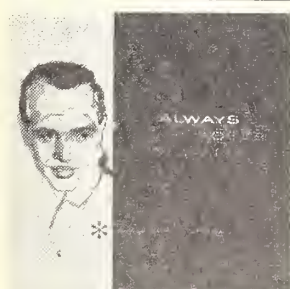

"THE MANCINI TOUCH"—Henry Mancini and his Orchestra—RCA Victor LSP 2101

Having established himself on the pop market as a jazz composer, Mancini offers more music with jazz overtones, but directed at the pop buyers. In a direction opposed to his "Peter Gunn" sessions, he directs a large string and brass ork in light, listenable, dance themes utilizing good jazz soloists and some jazz tunes (included are four new Mancini pieces). Soloists: Vic Feldman, Ronnie Lang, Bob Bain, Shelly Manne and others. Tunes: "Like Young," "Robbin's Nest," "That's All" and 9 others.

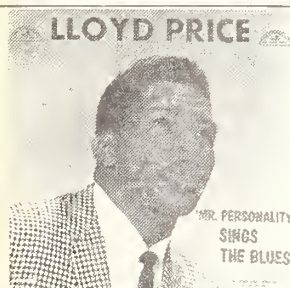

"ALWAYS"—Roger Williams — Kapp KL 1172

A program of "melodies that will live forever" is the latest series of vehicles for the delicate Williams touch. The music's indestructibility is due to the fact that most of it comes from the classical literature, and Williams never loses sight of their beautiful melodies: "Stranger in Paradise," "Traumerei," "Moonlight Sonata," "Till the End of Time" and "Brahms' Lullaby" among others. Frank Hunter's and Pete King's orks supply the lush string backdrops. It all adds up to a memorable experience.

"MR. PERSONALITY SINGS THE BLUES"—Lloyd Price — ABC Paramount ABC 315

Price belts his way through a dozen driving numbers, some of which are in the true blues idiom. Sid Feller's orchestral accompaniment embodies soaring strings and heavy rockbeat. It's a powerful package that should be picked up on quickly. Tunes include "Ain't Nobody's Business," "I Cover the Waterfront," "Sittin' Here and Rockin'" and "Feeling Lowdown."

"SOMEBODY LOVES ME" — Dinah Shore — Capitol ST 1296

A dozen of the most memorable sentimental ballads are essayed warmly and intimately by Miss Shore. She is aided immensely by the lush string and woodwind orchestrations created by Andre Previn. Among the tunes are "It's Easy to Remember," "Something to Remember You By," "Always," "My Buddy" and "I Only Have Eyes For You." It's a rewarding session for the vocalist, who invests each song with utmost personal sincerity. Can go far.

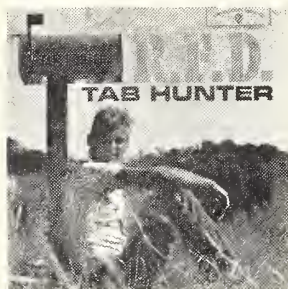

"HIGH SPIRITS!"—The Four Lads—Columbia CL 1407

As with most pop singers (or group in this case), the Four Lads are no exception in cutting an album of religious songs. The Lads have chosen a dozen high flying gospel jubilee songs smoothed down their rough edges to make them palatable to pop tastes, and deliver them in their usual infectious manner. Billy Dennison's ork romps along with them on the shuffle beat rhythms. Selections: "Great Gettin' Up Morning," "Way Down In Egypt's Land" (actually "Go Down Moses"), "Ring Them Chimin' Bells" and "Rock My Soul." Their fans will love it.

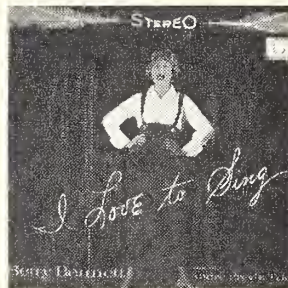

"BIG SONGS FOR LITTLE PEOPLE"—Jerry Lewis—Decca DL 78936

The comedian serves up a delightful session of songs aimed at the younger set; songs such as "Hit the Road to Dreamland," "When You Wish Upon A Star," "Over the Rainbow," "Little Mar You've Had a Busy Day" and "Little Sir Echo" songs which will enchant numerous adults as well as the "little people" they're directed at. An album loaded with sincere warmth and bubbling over with charm. Should be extremely well received.

"R.F.D."—Tab Hunter—Warner Bros. W 1367

It's Tab Hunter's turn to take a crack at some of the wonderful country songs that have been kicking around for years. In semi-country orchestrations set up by Grady Martin, which make full use of the guitar, Hunter offers performances of "Bummin' Around," "Oh Lonesome Me," "It Makes No Difference Now" and "I've Got A New Heartache." Outing could be a big success.

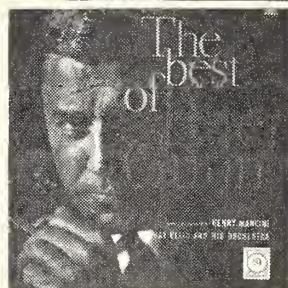

"I LOVE TO SING"—Betty Bennett — United Artists UAS 6070

A return to the disk scene for the former band vocalist with Woody Herman, Claude Thornhill, Charlie Barnet and Charlie Ventura. Miss Bennett is in the Anita O'Day/June Christy school of singers: crisp clear phrasing, slightly throaty voice, toeing the line between jazz and pops depending on the particular material. In this album her choice of material is commendable including such tunes as "Like Someone In Love," "All At Once," "Who Cares," "Down With Love" and "Then I'll Be Tired of You," all lesser-heard tunes by the songwriting cream. Andre Previn is a sympathetic accompanist. A much-welcome return for Miss Bennett.

"IF YOU WANT TO GET TO HEAVEN... SHOUT"—Gogi Grant—Liberty LST 7144

A collection of spirituals are taken the pop vocal route by Miss Grant. She is an expressive essayer of this material, with Billy May's exciting arrangements and a chorus tying it all up into a neat package. Selections include "All God's Children Got Shoes," "Deep River," "Wayfaring Stranger," "I'm Going to Live the Life" and "Can't No Grave Hold My Body Down." Fine expression in this area.

"THE BEST OF PETER GUNN"—Ray Ellis and his Orchestra—MGM E3813

Henry Mancini's dramatic background music for the TV'er is here in the hands of Ray Ellis, whose arrangements and ork direction compare favorably with the best-selling Mancini originals. Ellis has selected a dozen pieces and does dramatic jazz justice to them, lots of percussion, striking brass lines, etc. Though late on the "Peter Gunn" scene this album merits attention.

"I WISH YOU LOVE"—Felicia Sanders—Time 70002

Since her fame-getting performance on Percy Faith's hit dishing of "The Song From Moulin Rouge" several years back this lovely thrush has matured considerably through her many nitery dates. Time Records is the fortunate owner of this set of twelve tender love portraits so capably painted by Miss Sanders. She glosses sensuously over the tender lyrics of "I Wish You Love," "When the World Was Young," "Warm All Over," "Anyone Would Love You" and other oft-neglected superior pop and jazz tunes. A welcome disk by a talented female.

Album Reviews

"THE ALL TIME TOP TANGOS"—Stanley Black and his Orchestra—London PS 176

Despite many changes in popular music taste over the past years, Black continues to dispense some of the best Latin music for dancing available on disk. This latest set finds the English maestro surveying a dozen popular tangos, designated as the all-time top. Using an accordion soloist liberally, Black moves sweetly through "La Cumparsita," "A Media Luz," "Jealousy," "Adios Muchachos" and "El Choclo." Another excellent offering from Black.

"BEST LOVED JEWISH SONGS"—Jan Bart—Request RLP 8038

A regular performer on the WMGM-N.Y. "Jewish Caravan of Stars," Bart offers, on his initial Request LP, a program of familiar Jewish melodies. These are the songs of Jewish tradition, songs of various European origin dating back many years. They are sung with the reverence they deserve with light instrumental accompaniment that puts the accent on strings. Bart is well-known in his area; his fans will cherish this album.

"THE EXCITING ARTISTRY OF WILL HOLT"—Elektra EKL-181

Singer-guitarist Holt is a folk-bred artist who has mostly chosen theatre composers as the source of his material here. Side one—devoted to five striking items by Kurt Weill and Bertold Brecht—comes off best, with Holt's vocals and instrumentation (and three other string players) giving the material an authentic touch. On the flip side, the lovely "When The World Was Young" is sensitively portrayed. Other tunes include "I Love Paris" and "Blues In The Night." Artist's various TV-nitery stints should get sales this way.

JAZZ PICKS OF THE WEEK

"WORKIN' WITH THE MILES DAVIS QUINTET"—Prestige PRLP 7166

The third album to come out of the late 1956-early 1957 (approximate) sessions which produced the previously released "Cookin'" and "Relaxin'" LP's. The quintet is or was, one of the greatest in jazz history, each man a master of his trade: Coltrane, Red Garland, Paul Chambers, Philly Joe Jones. The eight tracks include the understated, introspective "It Never Entered My Mind," the riffing "Four," a pungent Garland on a trio track, "Ahmad's Blues" and two takes of "The Theme." A must for the jazz collector.

"FESTIVAL SESSION"—Duke Ellington and his Orchestra—Columbia CL 1400

A new Ellington album is always a happy event and this one is no exception. With power to spare the Ellington men drive through the compositions they introduced (or re-introduced) last summer during its festival appearances. This is a surging, rocking band, spurred on by two drummers. As usual the standouts are Johnny Hodges, Harry Carney, Clark Terry and the tingling arrangements. Selections are "Perdido," "Things Ain't What They Used to Be," "Copout Extension," "Duel Fuel," "Idiom '59" and "Launching Pad." One of the most exciting jazz LP's in a long while.

"OSCAR PETERSON PLAYS THE COLE PORTER, IRVING BERLIN, GEORGE GERSHWIN, DUKE ELLINGTON, RICHARD RODGERS SONGBOOKS"—Verve MG V-2052, 2053, 2054, 2055, 2057

Following the label's five disk Ella Fitzgerald set, it comes up with another five disks that almost equals the former in ambition but far exceeds it in scope. The Peterson Trio offers a huge panoramic view of the American popular music scene of the last thirty years (or so) by playing the great music of our greatest composers. The approach is completely improvisational; relaxed, swinging with an amazing intensity and maintaining an extremely high level of good taste. Set is a re-make of a similar series Peterson cut for Granz several years back (now unavailable). A must for the jazz collectors—yet with definite pop appeal.

JAZZ PICKS (cont.)

"BOOKER LITTLE 4 & MAX ROACH"—United Artists UAS 5034

Actually this is the Max Roach Quintet, one of the finest in modern jazz. The arrangements are Little's and they, along with his sharp, lyrical trumpet playing, display the continual advancement being made by him. Of course Roach's drumming is the feature, always amazing and continually sparking the soloists. George Coleman on tenor is another youngster that has come a long way since joining the group. Tunes are "Milestones," "Sweet and Lovely" and "Moonlight Becomes You." Electrically stimulating session.

"RELAX'N WITH CHICO RANDALL"—Roulette R 25092

The Chico Randall Trio is the kind of group you run into at smart supper clubs. Randall sings in a soft, husky, intimate voice and his piano playing is in complete sympathy with his vocal style. Bass and drums assist in a rhythmically assured role. Listeners will relax to the sounds of "When I Fall In Love," "It Might As Well Be Spring," "Willow Weep For Me" and "If I Were A Bell" plus eight others. Auspicious debut for the youngster.

"FIORELLO!"—The Leon Merian Jazz Quartet—Seeco CELP 459

Trumpeter Merian has a pleasant sound and swings easily. The other three members of the quartet fall into this same category. If not distinguished or imaginative, they play in a pleasant, easily-assimilated manner. Taking 10 tunes from the smash Broadway musical they read them with vigor. This is jazz for the average pop music fan.

CLASSICAL PICKS OF THE WEEK

DEBUSSY: "Images For Orchestra" (Complete)—Leonard Bernstein conducting the New York Philharmonic—Columbia ML 5419

The three pieces, "Rondes de printemps," "Gigues," and "Iberia," combined form the complete Debussy "Images," some of the most visual impressionistic music on record. The "Iberia" has become a major orchestral piece in itself and this unique recording by Bernstein, is one of the few of the complete "Images." The direction is bold and striking, taking full advantage of the sweeping Debussy scenes. An important release.

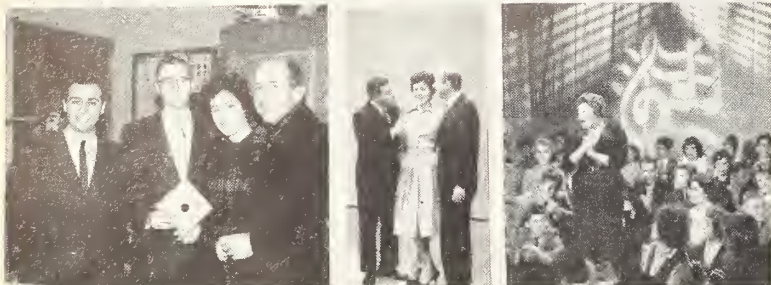

"THE MASS"—Canon Sydney MacEwan and the Choir of the Church of Santa Susana—Columbia KL 5311

Columbia is to be commended for the production of this album. The recording is of the Mass of the 21st Sunday after Pentecost, "Orbis Factor," sung in Gregorian Mode and recorded in Rome. Accompanying it is an elaborately produced, 39-page booklet containing illustrated articles on "The History and Meaning of the Roman Catholic Mass" by Bishop Fulton J. Sheen, and other highly informative articles in both Latin and English texts. Excellent teaching aid; significant release.

RONCALLI: Four Suites—Charles Byrd, Guitar—Washington WR 429

Charles Byrd is an exemplary guitarist who has achieved recognition in both jazz and the classics. Here he demonstrates his amazing artistry by performing four remote baroque guitar suites by the little known composer. It is through music like this that one realizes the classic beauty of the instrument, beauty that cannot be diminished by the rough treatment accorded the instrument in today's pop music. An album worthy of special merit.

Columbia Artists On The Go

NEW YORK—Columbia Records artists were on the go in New York last week promoting their new releases at radio and TV stations.

Top left: Jack Lacy (WINS) welcomes Eileen Rodgers and Columbia A&R man Frank DeVol, plugging Miss Rodgers' new platter, "You Were Meant For Me," which DeVol arranged and conducted.

Top right: The Coronados are interviewed by Richard Hayes on his "Big Beat" WNEW-TV'er.

Bottom left: Miss Rodgers and DeVol visit WOR librarians Howard Epstein and Johnny McCarthy.

Bottom center: WABC-TV's Joe Franklin interviews Miss Rodgers and her escort.

Bottom right: Sylvia Syms sings "Big Tree Tall" on the "Big Beat" show.

Victor To Issue Basic Grade School LP Library

NEW YORK—RCA Victor will institute a new RCA Victor Basic Record Library for Elementary Schools under the title "Adventures in Music," with the first volume, "Grade 3, Vol. 1" due this month, it was announced by George R. Marek, Victor vice-president and general manager.

"Grade 3, Volume 1" will be followed by an album for "Grade 6, Vol. 1," scheduled for release in early summer 1960. Plans are for the comprehensive series to be completed within the next three years.

The new library will contain ten albums—one album each for grades one and two, and two albums each for grades three through six. Each album will be available in stereo as well as monaural in 33 $\frac{1}{3}$ and 45 rpm speeds.

Because the albums will serve parents interested in home instruction as well as school systems, RCA Victor will make the recordings available at all record retail outlets.

The National Symphony Orchestra, under Howard Mitchell, will be heard in the series. The Washington, D. C., Symphony has a long history of varied educational programs for young people in the nation's capitol.

Gladys Tipton, Professor of Music Education at Columbia University, and also co-author of a series of texts titled "Music For Living," is the editor of the new RCA Victor Basic Library. Miss Tipton, a contributor to the nation's educational journals, is co-editor of booklets, "Notes for Teachers," which will accompany each library volume. Working with her is Eleanor Tipton, a music supervisor of the Philadelphia Public School System. This booklet will serve to guide instructors in planning ways to focus attention on the various recorded selections in areas of background information as to music and composer; and in analysis of rhythm, melody, form, texture, instrumentation, and dynamics.

Consultants to Miss Tipton in the project, in addition to Miss Eleanor Tipton, are Miss Wilma Schell, music consultant, public school system of Baltimore, Md.; Miss Alice Gallup, supervisor of music, public school system of Long Beach, Calif.; and Charles Walton, instructor of music education, Teachers College, Columbia University.

This Basic Library is designed, a statement said, as a dramatic program to give elementary school children a "well-balanced, musically stimulating experience in listening to, responding to, and becoming familiar with a variety of music representative of master composers of many periods and styles." The recordings will consist of movements of outstanding compositions by composers from Bach to Copland, and will "enable classroom teachers, with or without special musical skill, and music supervisors, to guide children to comprehensive and stimulating musical experience. The series will also provide students with appropriate insight into the correlation between music and poetry, music and art, as well as other subjects in school curricula."

RCA Victor established its first educational program in 1912 (then

Bob Stephens Named Dot's Eastern A&R Chief

HOLLYWOOD—Bob Stephens, veteran A & R man and recording consultant, has been named A & R chief for Dot Records' eastern operation. Dot President Randy Wood, announced last week.

In his new A & R spot for Dot Records, Stephens will headquarter in New York, where he will supervise recording sessions for the label, search for new talent and material.

The disks being pushed heavily are Carl Mann's "Some Enchanted Evening," Johnny Cash's "I Love You Because," Charlie Rich's "Lonely Weekend," Tracy Pendarvis' "100 Guitars" and Mack Owens' "Someone Just Like You."

Cecil Scaife is covering distributor and disk jockeys in the East and Southeast for the same records. Both Fitzgerald and Scaife plan to be on the road until February 15.

Sam Phillips, president of the diskeries, also announced last week that he is offering distributors a 15% discount on the entire Sun and Phillips catalogs.

C., St. Louis, New Orleans and Atlanta within the next two weeks and national promotion director Teddy Feigin is heading for Cleveland and Boston after recent treks to Buffalo, Detroit, Cincy and Pittsburgh.

The Viscounts—who have the current Madison chart item, "Harlem Nocturne," are being heavily booked by GAC, Uttal said. They do the Dick Clark TV'er this weekend (6).

the Victor Talking Machine Company). The new series is an extension of the original RCA Victor Basic Library for Elementary Schools released in 1947, and in wide use today. Eventually, the new series will take the place of the old.

\$500 ASCAP Grants To Ten Symphony Orchs.

NEW YORK—Ten major symphony orchestras have been awarded grants of \$500 each by the American Society of Composers, Authors and Publishers, ASCAP President Stanley Adams announced.

The grants go to the following orchestras: Dallas Symphony Orchestra, Detroit Symphony Orchestra, The Cleveland Orchestra, Symphony Society of San Antonio, Boston Symphony Orchestra, St. Louis Symphony Society, Denver Symphony Society, Buffalo Philharmonic Orchestra Society, Inc., Cincinnati Symphony Orchestra and Kansas City Philharmonic.

The ASCAP Awards Committee, appointed by the Major Orchestra Managers' Conference, consisted of William C. Herring, Manager of the Atlanta Symphony Orchestra, Chairman, and George Morgulis, Manager of the Kansas City Philharmonic. The Committee considered applications from the twenty-four major symphony orchestras of the United States. In announcing the awards to the orchestras, the Committee stated that applications must be for projects "that relate directly to the presentations (and/or the repeat performances) of contemporary music and/or composers."

In commenting on the award Adams said, "It is the belief of the Society's Board of Directors that performances of contemporary music in the symphonic and concert field should be encouraged. While the Society recognizes that a grant such as ours is only a small step in stimulating American creative talent, we are hopeful that his action will prompt other organizations to provide similar recognition."

ASCAP Director and Chairman of the ASCAP Symphonic Committee Dr. Douglas Moore announced that the Award Committee decided that ten grants of \$500 each was the most equitable method of allocating the Society's Grant.

Pop To Country Switch

NEW YORK — With their latest single, "China Doll," the Ames Brothers have done an about face on the current trend of country music going pop. The RCA Victor recording artists waxed the tune written by Cindy Walker, who has had several hits in the country field, and the label is shipping it to D.J.'s on its country list as well as its standard pop list. This marks the first time an Ames Brothers record has gone to country D.J.'s, and indicates how closely-allied the country and pop fields have become in the singles market.

WB To Release Crosby's "Sing Along" Album

HOLLYWOOD — Bing Crosby's "Join Bing and Sing Along" LP, which was independently produced through his own record company, Projects Records, Inc., has been released through Warner Bros. Records. The album is the first such effort by Crosby.

The WB release is packaged with lyrics to the songs both on the inner-sleeve and on individual inserts. Orchestral arrangements for the set are by Bob Thompson; the chorus and orchestra are conducted by Jack Halloran.

The Bing Crosby Sing Along album is the second set to be merchandised by Warner Bros. for Projects Records. Earlier this month, The Trapp Family Singers' "Sound of Music" album was rushed onto the market by the two companies.

Goldner Forms Goldisc Label

NEW YORK — George Goldner, president of Gone Recording Corp., has announced the formation of a new label called Goldisc Records. The first release will be by the Temptations "Barbara" b/w "Someday."

An "elaborate" promotion campaign to kick off the new label is being set up by promotion manager Jerry Simon, and his field promotion men, Saul Star in Detroit, Fred Salem in Chicago and Irwin Zucker on the west coast.

Roulette Purchases Hot Elgin Master

NEW YORK—Roulette has made a master purchase of "I Believe I Love You" and will release the disk on Gee Records, a division of Roulette. The song, written and recorded by Jimmie Mack and the Watts was initially released on the Elgin label.

According to Roulette, the record has been stirring strong sales activity in the Connecticut area where it was first released. Clarence Drum of the Drum Recording Co. and owner of the Elgin record sold the disk for an undisclosed sum.

The deal for Roulette was handled by Joe Kolsky, executive-vice-president of the firm. The Gee record was rushed into production and is already in the hands of Roulette distributors.

Roulette Extends 10% Discount Until Feb. 15

NEW YORK—Roulette Records announced last week an extension of the label's Jan. "Soundsational" 10% cash discount plan for all dealers. The plan, which was scheduled to end Jan. 31 has been extended until Feb. 15th. The 10% discount is based on all album purchases during the duration of the plan and includes both catalog merchandise, as well as the new LP releases for Jan.

Joe Kolsky, executive vice-president for the diskery, is currently out on the road visiting the distributors concerning among other topics, the Jan. program. The sales reaction and hefty orders, according to Joe Kolsky has prompted this extension of the sales plan. He reported that the leading albums in sales among the new releases are: "More Songs For Adults Only" — Pearl Bailey; "When The Spirit Moves You" — Jimmie Rodgers; "Mr. Dynamo" — Ronnie Hawkins and a couple of "sleepers" in "The Mark of Fredricks" — featuring Mark Fredricks, His Piano and Orch., and "Illinois Jacquet Flies Again." Jacquet is currently appearing at the Birdland jazz niter in New York.

Kolsky concluded that the "Soundsational Sales plan will give Roulette their biggest Jan. album sales since they have been in business." He stated: "The additional two weeks extension of the plan will give our distributors and their accounts a chance to cash-in and realize an even greater profit from our Jan. releases and the 10% cash discount benefit".

Freed Show Into Apollo

NEW YORK — Allan Freed this week (beginning February 5th) takes a show into Harlem's Apollo theatre for a one-week stand. In his initial trip "uptown," the Freed revue will feature Bo Diddley and Big Maybelle Smith.

Others in the cast include Jo Ann Campbell, Bobby Day, the Cadillacs, the Wheels, and the Freed band featuring Sam (The Man) Taylor and Earl Warren.

Friends Call

NEW YORK—Mrs. Peter De Rose (May Singhi Breen) recently hosted a party at her home for her friends in the record business.

960 Recording, TV, Radio & Advtg. Charities Drive Tops Goal

HOLLYWOOD—The recording industry, under chairmanship of Randy Wood, president of Dot Records, collectively has raised \$59,725.21, 22 percent above appointed goal, during the 960 RTRA (Recording, Television, Radio & Advertising) charities drive. Recording division had been set up to collect \$48,960.00 but exceeded that figure by \$12,665.31.

Goal-breaking music industry charity donations topped the next closest division, Talent Agencies, by eight percent, Wood explained.

Money raised by all divisions, which includes network TV outlets, advertising agencies, production companies, business managers, law firms, publicists, publications, independent radio and TV stations, TV film distributors,

AFTRA, and writers, is funneled into such charities as The Community Chest, Cerebral Palsy, Cancer and Red Cross organizations.

Bobby Freeman Signed By Cameo

NEW YORK — Bernie Lowe announced last week that Bobby Freeman has been signed to a long term recording contract with Cameo Records. Freeman formerly recorded for the Josie label.

Lowe said that recording sessions are currently underway with the singer and his first Cameo single will be released in mid-February.

Money Talks

NEW YORK—Sammy Davis, Jr. clowns it up as he inks a pact for a two week appearance in South America that will get him \$37,000 dollars. Eyeing Sammy cautiously is C. B. Atkins, husband and manager of Sarah Vaughan, who has been commissioned by a syndicate of Brazilian promoters to line up American performers to appear there.

High Spirited Team

CINCINNATI—The Four Lads take time off from their headline appearance at the Beverly Hills nightclub here to cut a few capers on the ice at a local arena.

The Lads, who hail from Toronto, Canada, are all expert skaters. Their new Columbia album is appropriately titled "High Spirits."

Victor & Budweiser In Joint LP-Beer Promo

NEW YORK—RCA Victor has set a joint promotion with Anheuser-Busch, makers of Budweiser Beer, it was announced by W. I. Alexander, manager of advertising, publicity and promotion.

The promotion centers around a new pop LP of instrumental-vocal music, called "Where There's Life, There's Bud". All the selections on the LP use the "life" theme in their titles, including "Ah, Sweet Mystery of Life" and "Life is Just a Bowl of Cherries", among others. Performances are by a large orchestra and chorus conducted by Russ David.

Budweiser will use the album cover art in all its ads promoting the album. The beer concern will run full-page, full-color ads, featuring "Where There's Life", in Saturday Evening Post, Life, Look, Sports Illustrated, Time, Newsweek, Holiday, Ebony, The American Weekly Parade and the Chicago Tribune Sunday Supplement.

Point-of-sale wise, Anheuser-Busch is making available 40,000 display cards featuring the album, as well as 12,000 streamers and 4,000 coasters.

On its part, Victor will advertise the "Where There's Life" LP in half-column ads in The New Yorker, Sports Illustrated, Playboy, Esquire, and the New York Times Magazine.

"Where There's Life" will be the February selection for RCA Victor's new illuminated blinker marquee display. An extra message panel will be added to the display to help promote the album. Ad mats in various sizes will also be available.

Cover: First class. Color pencil sketch of the Count, the band, and Jimmy. Titles strong. **Performance:** The deck is part of Camden's "Jazz Goldmine" and deservedly so. Basie's group recorded all but one side back in 1947 with a top notch band featuring names like Freddy Greene, Jo Jones, Walter Page and the great Jimmy Rushing. It's a "middle-forties" band sound that was all Basie's and offers 11 swinging, bluesy tracks to prove it. **Commercial Value:** Dynamite. Big names, big sound. Worthy of strongest display. Added value—current top drawer appeal of Basie and Rushing.

"STRADIVARI STRINGS" Marion Kostellani and His Accordion, Spin-O-Rama MK-3052, 99¢

Content: "Moonlight", "You Are Too Beautiful", "Small World", 7 other
Cover: Color shot of violin at left, is balanced with 3 color circles framing titles. Eye-catcher. **Performance:** Beautiful background deck with Kostellani's accordion tying together a brace of lovely tunes in a soft, soothing style. **Commercial Value:** Should sell out at 99¢ price. Strong rack merchandise.

"OFFENBACH-GAITE PARISIENNE" P. Montiel Conducts Le Ballet Francais Orch., Stereo-Fidelity SF-1100, \$2.98

Content: Popular ballet as composed by Jacques Offenbach occupies both sides of record. Cover: First class color shot of can-can scene. Good display. **Performance:** Top notch performance. The French orchestra delivers in first rate fashion bouncing through this highly popular ballet. **Commercial Value:** Strong rack merchandise. Regular price offerings have scored well with this composition.

"TCHAIKOVSKY—ROMEO AND JULIET" Sir Adrian Boult Conducting the London Philharmonic Orch., Stereo-Fidelity SF-11600, \$2.98

Content: The "Romeo and Juliet" side is backed with Tchaikovsky's "Hamlet". Cover: Colorful setting has Shakespeare's books alongside musical composition with flowers arranged in background. Good display. **Performance:** Beautiful performance on both Tchaikovsky compositions with the "Romeo" score following closely the Shakespeare classic. Good classical package. **Commercial Value:** The contents are popular with the longer hair set and the London Philharmonic adds to strong name value. Looks like a sales-getter.

EP Reviews

"RICKY SINGS SPIRITUALS" Ricky Nelson, Imperial IMP-165
Ricky sings softly on "If You Believe It" and catches the gospel feeling on the fast-moving "March With The Band Of The Lord", "Glory Train" and "I Bowed My Head In Shame". Nelson's first effort at spirituals should sell up a storm. Sleeve has natural color shot of the idol. Top teen attraction.

"BELAFONTE SINGS SPIRITUALS" Harry Belafonte, RCA Victor EPA-4354
From the LP of the same name, Belafonte's spiritual style shows up a potent material for any record stand. Artwork on sleeve is same as LP, top notch. "Wake Up Jacob", "Oh Let Me Fly" and 2 others round out the package. Strong merchandise.

NEIL SEDAKA "OH! CAROL" RCA Victor EPA-4353
Sedaka chants his chartrider "Oh! Carol" and adds "Going Home To Mary Lou", "The Girl For Me" and "I Ain't Hurtin' No More" rounding out a deck of dynamite for the teenage shoppers. Neil's picture is on the sleeve taken during the record session.

THE BROWNS "Scarlet Ribbons" RCA Victor EPA-4352
The title tune here has hit the charts as expected while "I Still Do", "Love Me Tender" and "We Should Be Together" show off the trio's hit style nicely. Sleeve has The Browns at bottom half of art while titles are strong at top.

PAT BOONE "Journey To The Center of the Earth" Dot DEP-1091
Boone's current flicker is going strong and the disk should make lots of noise. Soundtrack selections include "Faithful Heart", "Twice As Tall", "To The Center of the Earth" and "My Love Is Like A Red, Red Rose". Sleeve features scene from movie.

PAT & SHIRLEY BOONE "Beside Me" Dot Records
The couple deliver in a delightful fashion "Tumbling Tumbleweed", "Beside Me" and "Melody of Love", harmonizing in a soothing manner. "Midnight" picks up the beat in an infectious style that rounds out the deck nicely. Sleeve illustrates Pat and Shirley in a color photograph that should attract.

The albums in production include the classical, popular, Latin-American, and novelty themes in keeping with "C. G.'s" plans for a complete and well rounded repertoire in their album catalog.

At the invitation of R. Dawes, Director of E.M.I.'s Records and International Division, The Cash Box representative visited the Division's Headquarters at Hayes, Middlesex. The Records and International Division was formed in May last year as a result of the continued growth in recent years of E.M.I.'s world wide activities in the field of recorded music and consumer goods, in order to co-ordinate more closely the activities of all the groups, companies and associates, by bringing together into one division all their overseas records and consumer good companies i.e. E.M.I. Records Ltd. (their English record marketing company) and English Record Production Facilities together with the various head office units which advise and service different parts of the world record operation. The exception to this grouping is Capitol Records, its American associates, who continue to be responsible to the Board through President, Glenn E. Wallichs, a Director of the parent company. One of the Divisional General Managers, E. G. Hurst told The Cash Box that he was leaving the next day on a four-week tour of Pakistan, India, Singapore, Hong Kong and the United States to look at the future development of E.M.I.'s business, particularly in the record field.

Hurst explained that all these areas are growing territories and ready to be exploited. In America Hurst will confer with Glenn Wallichs when policy regarding the suitability of the classical repertoire in relation to both the United States and Europe will come under discussion. Hurst also said that E.M.I. recently acquired a juke box licensing business in Denmark. The success of this first venture may well lead to further expansion in this field.

It was a pleasure to meet another visitor to Hayes—Dr. Veder, Managing Director of Electrola and Carl Lindstrom, who flew in from Germany on a two-day visit.

The visit to E.M.I. also presented an opportunity to meet again Malcolm McGrady, who last year helped successfully to launch the Top Rank label throughout the world and who has now joined the International Division of E.M.I. Although his immediate duties are not directly concerned with the record side of the business it is hard to believe that someone who made so great an impact on the record industry in so short a time, will not make some further contribution from within E.M.I.

Oriole Records is delighted with the success of its latest artist, Maureen Evans, whose second record for the label, "The Big Hurt" (competing with Toni Fisher on Top Rank and Joan Small on Parlophone) has been judged "The Record Of The Week" by Radio Luxembourg, and a unanimous hit by B.B.C. TV's high spot disk program Juke Box Jury. Top disk critic Richard Attenborough also chose it as his "Record Of The Week".

It is the policy of Oriole Records to be very selective in relation to the singles market—feeling that too many inferior singles are released which is bad for the retailer, exploitation man and disk jockey. Plans are well advanced to fulfill its desire to broaden the field of the pop market and evolve new trends by imaginative selection of material.

Oriole also plan an orderly development of its L.P. and E.P. material based on perennial and established favourites in all fields, at the same time striving to improve relations with the retail trade by giving them good records and speedy service from its own plant and to supply dealers with ample literature and support in every way.

The latest Oriole release is recorded music from the new Jack Hylton musical "When In Rome" now playing at London's Adelphi Theatre. The stars of the show, Dickie Henderson and June Laverick, have cut an E.P. and three singles—backed with orchestra and singers conducted by Billy Ternent. The big number is a delightful duet "Simpatico".

One of this label's greatest successes has been the L.P. by the original cast of the Julian Slade-Dorothy Reynolds musical "Salad Days" which on Thursday of this week became the longest running musical in British history, passing the previous all-time record of 2,238 performances set up by "Chu-Chin-Chow". On January 30th it will pass the world record for musicals exceeding the 2,248 performances of "Oklahoma" in New York.

Bernard Ness, General Manager of the Rank Organisation's International Record Division, announces the appointment of P. A. L. Skinner as Marketing Manager of Rank Records Ltd. In his new capacity Skinner is responsible for co-ordination of Top Rank's advertising, publicity, sales and exploitation and will be directly responsible to the label's Commercial Manager, Bob Roberts. Skinner has been Advertising Manager of Rank Records since February 1959. He has been with the Rank Organisation for nine years.

Sandy King (Saunders Kurtz), General Sales Manager of Hansen Publications, Inc., is on a six-week survey of the current emphasis in music publishing by various European houses. King's itinerary will take him to Paris, Geneva, Zurich, Vienna, West Berlin, Hamburg, Stockholm, Copenhagen, Amsterdam, Brussels and London. While in the Scandinavian countries he will work with the Metronome publishing combines on expansion of its jazz materials which already include copyrights of Quincy Jones, Billy Taylor, Horace Silver, Julian Adderly, from various affiliated Hansen catalogues. Additionally, in Paris, King will meet with Barclay Editions.

Advance bookings for M.G.M.'s "Ben Hur" at London's Empire Theatre has now surpassed the all-time record previously held by "My Fair Lady". Its total takings in the first weeks of its twelve world wide situations now amount to \$2,000,000. John Burgess of M.G.M. Records reports that sales of the wonderful L.P. "Musical Highlights" of the Niklos Rozsa score by The Symphony Orchestra of Rome, conducted by Carlo Savina, have far exceeded expectations. Ron Goodwin is to record the love theme from the film on Parlophone which will be available for release in the States on Capitol.

E.M.I. threw a party this week at London's Satire Club to welcome the divine Sarah Vaughan, here to star in A.T.V.'s "Sunday Night At The London Palladium. After an opening concert at London's Festival Hall Sarah embarked on a 16-day tour of major cities throughout the country. Her latest record release here is the attractive "You Are My Baby" and "Eternally" on Mercury.

Another singer to arrive on the same plane as Sarah Vaughan was Columbia artist Ronnie Hawkins to appear on A.B.C.'s "Boy Meets Girls". His current record release here is "Southern Love" (What'cha gonna do) and "Love Me Like You Can".

Parlophone star Adam Faith, currently topping the charts with his "What Do You Want" has been signed for a new film "The Moment Of Truth" starring Peter Sellers and Richard Todd. His latest disk "Poor Me" backed with "Reason" is just released. Also on Parlophone is the original Larry Hall version of "Sandy" currently high in The Cash Box 100 chart.

Maurice Woodruff, well known clairvoyant and astrologer gave a cocktail party at the Wellington Club, London to celebrate the release of the first three disks in a unique Zodiac series issued on the Pye label. The idea is to give record buyers five minutes of their own personal horoscope on one side of the record, narrated by Neal Arden, well known journalist and broadcaster,

and five minutes of musical entertainment with Neal Arden's "Quiet Rhythms" containing selections from the Pye 'Golden Guinea' series on the flip side.

These Zodiac records are the first colored records to be manufactured in this country and are in a "night sky" blue material. Another enterprising innovation is that the record labels are printed in the lucky color of each Zodiac sign with a special Zodiac record bag. The first three releases cover subjects born under Aquarius, Pisces and Aries. Future Zodiac records will be released at a later date. The records retail at five shillings each.

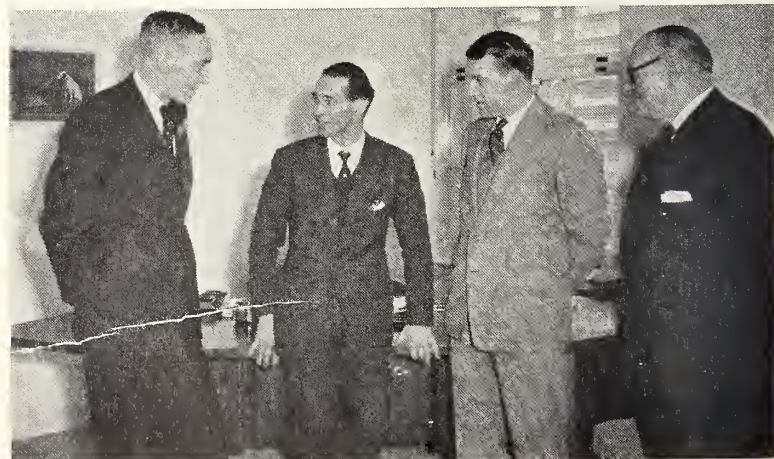

Latest disk by 'The Golden Boy of 1959'—Bobby Darin entitled "Beyond The Sea" was released simultaneously both here and in the States on London Darin, together with fellow London recording artist Duane Eddy, is due to open a three-week tour of British theatres on March 18th. Also from Decca comes news that Tommy Steele's "Little White Bull" has passed the quarter million sales and there is every possibility that this disk will reach the half million mark. As previously reported in The Cash Box Tommy is donating the royalties of this record to the Variety Club's Fund For A Cancer Research Unit for Children.

Philip's recording artist Anne Shelton leaves for a variety tour of South Africa on February 4th. On the same date her latest record "Angels Lullaby" backed with "Where Can I Go" is due for release.

Owing to television commitments the Stateside visit of Philip's star Marty Wilde has been postponed until March.

From Fontana comes news of another Marty—Marty Robbins—currently high in The Cash Box Top 100 charts with "El Paso". Plans are well advanced for Robbins to visit this country in May this year.

AUSTRALIA

Now that the extensive holiday season is over, most record companies and publishers are back in business for what they all anticipate will be one of the most successful years the music business has experienced in this country. ready major labels and publishers are turning out a great deal of local material of tremendous potential.

Lee Godon's Leedon label has released new singles of **The Delltones** (Johnny O'Keefe's regular vocal group) with "Yes Indeed" and "Tell Me What You Care", following up with the disk debut of **Dale Wayne**, a seven-year-old newcomer, singing "Juke Box Bop" and "I'm Lonely Now", two of Wayne's own compositions. **Johnny Rebb** looks set for success with his newly released single of "Highway of Love" which is from Rebb's EP of the same title.

Jack Argent of Leeds Music is very happy about the success of two more Australian compositions that are currently doing business here. They are "Teenage Baby", written by ace disk-jockey **Tony Withers**, recorded by popular **Col Joye** on Festival and **Frank Ifield** on Columbia. Ifield is flying the Australian flag in England at the moment, and according to reports is doing well. The other song pleasing Jack Argent is "Turn The Lights Out Johnny" which was written and recorded by **Johnny Devlin**. This one is shortly to be released in the Benelux countries, Germany and Italy.

The first Australian ever to star at the Nichigeki Theatre in Tokyo is a singer, stylist, drummer and entertainer **Larry Stellar**. After several months in Tokyo, Okinawa and Hong Kong, Larry returns to take up again at Melbourne's Chevron Hotel.

Television personalities **Elaine McKenna** and **The Hi-Fi's** vocal group are among the artists who have been signed to appear with **Hugh O'Brian** when his "Wyatt Earp Western Revue" opens at The Princess Theatre on 4th February for a three-weeks season. Elaine McKenna will sing duets with the popular Hugh O'Brian.

Steve Lawrence looks set for the top here with his W & G release of "Pretty Blue Eyes" which is making a lot of sales noise across the nation. This one will be followed with his album "Swing Softly With Me". Steve Lawrence and **Eydie Gormé** become very popular here as a result of their TV series which replaced the Steve Allen show. Lawrence also did well here with his previous single "I Don't Care (Only Love Me)".

There is tremendous interest in Australia in **Stan Freberg's** "The Old Lady Roll Blues" which has been the subject of some solid radio exposure. When released, this one should reach a ready-made market.

Another one that seems assured of success in the top group is **Bobby Darin's** "Beyond The Sea". Even though Darin's "Mack The Knife" was never released here on a single (EP only), it did well on hit parades throughout Australia.

In a surprise move that upset several strong rumors, Festival Records is suing "Mr. Blue" by **The Fleetwoods**, which comes from the Rank organization. It was believed some time back that the Rank material would be handled by another major label. There are already a couple of cover versions of "Mr. Blue" on the local market with a start of several weeks over the original by The Fleetwoods.

In a special release to tie in with his current (22nd January) visit to Australia, **Coronet Records** has issued an EP of **Crash Craddock** singing "Sweetie Pie", "Ah Poor Little Baby", "Lulu Lee" and "Am I To Be The One". Craddock is about the hottest disk property in this country at present with his "Boom Boom Baby" which is the best selling single throughout the nation.

Another interesting Coronet release is **Duke Ellington's** "Anatomy Of A Murder", the title score from **Otto Preminger's** film production. As this has won several overseas awards it is assured of good sales action.

Australia's Best Sellers

- 1 Boom Boom Baby (Crash Craddock—Coronet)

GERMANY

Sandy King (Saunders Kurtz), General Sales Manager of Hansen Publications, Inc., Miami Beach, leaves New York, January 23rd on a six week survey of the current emphasis in music publishing by various European houses. He also intends calling on the wholesale aspect of the trade. King's itinerary will take him to Paris, Geneva, Zurich, Vienna, West Berlin, Hamburg, Stockholm, Copenhagen, Amsterdam, Brussels and London. While in the Scandinavian countries he will work with the Metronome combine on expansion of its jazz material which already include copyrights of Quincy Jones, Billy Taylor, Horace Silver, and Julian Adderly, from various affiliated Hansen catalogs. Additionally, in Paris, King will meet with Barclay Editions. Sandy King has a long time career as a theatre batoneer before entering the publishing industry and joining Chas. H. Hansen a dozen years ago. Hansen Publications has offices in New York, Miami Beach and Hollywood. Sandy King will stay in Hamburg, Germany, on February 9-11 at the Hotel Reichshof.

"Benny Goodman 1937 '38" is the title of the jazz album that MGM will publish in February. It includes 36 not yet published titles of the "King Of Swing". This album has stars like Harry James, Teddy Wilson, Lionel Hampton, Gene Krupa, Jess Stacy and Charlie Christian. When Benny Goodman was in Germany the last time, he said that this album was better than his Carnegie Hall Concert.

It seems Ivo Robic, in the very near future, will get 'Goldene Schallplatte' from Polydor for his successful "Morgen". Together with the sales in foreign countries, this disk will soon reach the million selling mark. In its original German text, the U.S.A. called it a hit. When this happened "Morgen" was sold in all the foreign countries and last but not least, in Germany too. Polydor has released two new titles by Ivo Robic.

Electrola has signed the famous soprano Lisa Della Casa, who was born in Switzerland and guest of famous operas in Vienna, Mailand, Zurich, Buenos Aires and New York. The contract is for several years. Her first records on Electrola will be, "Ariadne auf Naxos" and "Tosca".

The newest songs of Lale Anderson, who became world famous with her "Lilli Marleen", are titled, "Das Lied der Schwane" and "Au Revoir, Marcel" on Electrola.

The first European Juke Box Poll is by the German coin machine magazine the Automatenmarkt. In its tenth anniversary issue, Automatenmarkt published the results: Female Singer—1, Caterina Valente; 2, Dalida; 3, Connie Francis; Male Singer—1, Peter Kraus; 2, Freddy; 3, Peter Alexander; Vocal groups—1, James Brothers; 2, Nilsen Brothers; 3, Kingston Trio; Orchestras—1, Billy Vaughn; 2, Chris Barber; 3, Perez Prado. The three songs, which in 1959 were most chosen in German juke boxes were, 1, "Die Gitarre und das Meer", Freddy; 2, "Am Tag als der Regen kam," Dalida; 3, "Tom Dooley," Nilsen Brothers.

Gus Backus, young singer on Polydor, a hit with his first appearance in Vienna. His records have been sold out in all the Vienna music shops.

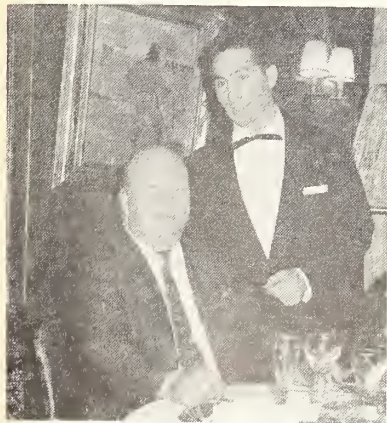

More and more the German film industry is using record stars who are successful in Germany to help make the film a success, too. In 1959 the industry used Freddy, Little Gabriele with Louis Armstrong and Danish singers Nina and Frederik, Fred Bertelmann and Bibi Johns.

Paul Siegel, Berlin publisher and writer, is currently sick with pneumonia. Siegel recently made the front cover of the German trade paper Automaten Markt on the basis of his hit "Big Ben". The deck will soon be released in the United States on MGM. Shapiro Bernstein is the American publisher of "Big Ben".

NEW YORK — Though Italy's famed 150-year-old Ricordi publishing firm is best known for its noble catalog of music by the likes of Verdi and Puccini, the past 6 years have put the firm in an important role in the pop music field.

The man currently guiding the destiny of Ricordi's world-wide pop enterprises (five publishing houses) is a 48-year-old, one-time lyricist and cafe pianist, Mariano Rapetti. Rapetti—a 31 year music business vet—recently visited with Ricordi's offices here and now back in Ricordi's home-base (and his hometown), Milan.

Rapetti was recently appointed supervisor of Ricordi's pop interests throughout the world. This includes pop-geared offices in such countries as Germany, France, Brazil, Argentina and other South American countries and, of course, the U. S. Assisting Rapetti in handling such a wide operation is his 24-year-old son, Julio, who—like his father—is regarded as an

astute music man.

Ricordi formed his own diskery in Italy two years ago. The firm, Dischi Ricordi, is at this time a domestic product only, but there are plans for expanding the risky to other markets, according to Ruth Roland, Ricordi's New York office.

The Ricordi office here functions as a representative of the home firm. Its job is to place songs here and get U. S. for Ricordi abroad. As an example of the latter, material written by star rock 'n' roller Conway Twitty is represented abroad by Ricordi. Ricordi is also the European representative of such prominent U. S. publishers as Music Holding Company, Famous Music, Shapiro-Bernstein Music and Columbia Pictures Music.

In the classical area other than opera, Ricordi publishes such material as symphonic and choral material, educational publications and one of the world's largest catalogs of guitar music.

BENELUX

The great Dutch singer, Rita Reys, who uses her voice in a way that a confident and talented musician used his instrument, has just recorded a single for Philips (managed by L. C. Phonogram, Amsterdam) in the Dutch language titled, "Zon In Scheveningen" and "Venus Bepied". Rita Reys is a singer of excellent taste, who is convinced that performances of light music must have something fresh about them, combined with an approach that allows listeners to enjoy the music without feeling that it "attacks" them. In the U.S.A. Rita Reys is well known for her two tours and for the records she made with The Jazzmessengers. On the above recording, she is accompanied by the famous Pim Jacobs Trio, one of the most fabulous jazz combos in Benelux. Insiders call this latest recording a real sensation, especially because Rita sings the songs in Dutch.

C. Solleveld (director of L. C. Phonogram, Amsterdam), and R. Klaassen (sales manager), have just departed for Brussels where a meeting will be held of the advisory committee. After this visit, Solleveld will continue his journey to Paris to meet some people of the French Philips Company.

In a few weeks there will be the big carnival festivals in the Benelux. Every year at the same time the festivals are organized here and on this occasion L. C. Phonogram will release on Decca the Cologne Carnivals-Schlager 50, "Jedem Dierche sie Plasierche".

For the benefit of sending out the Dutch Olympic Group to the Olympian days this year, one of the five Dutch Broadcasting Companies, The AVRO, has organized a popularity contest for light music records in Holland. The first time a record by Eddy Calvert, famous English trumpeter called, "Morning" (on Columbia, one of the labels of L. C. Bovema, Heemstede, Holland), was chosen.

L. C. Bovema's modern records factories at Heemstede also make paper records for puff purposes. At this time, L. C. Bovema has a fully automatic machine which produces more than 1500 records an hour. Their revolutionary recording studios show unique acoustical qualities. In spite of the EM conflict, these studios are working steadily for commercial radio and television stations and prominent film industries.

WWOL-Buffalo Begins Basic Format Of Foreign Music

NEW YORK—A variety of Continental music is now the basic format of Buffalo radio station WWOL. Beginning this week (1), "Don McNeil's Breakfast Club" stands as the only Monday through Friday feature directed at a general market.

The outlet is basing its new programming on "mass appeal," taking into account that 32% of its potential listening audience of 1,915,408 is foreign European, foreign-born or foreign parentage. In addition, 76% of WWOL's "foreign" listenership is from Poland, Italian, German or Ukrainian. Figures are based on the 1950 U. S. census.

For much of its programming, the station relies on foreign charts printed each week in *The Cash Box*. Programs which make specific use of such information include "Continental Hit Parade," "Italy's Top Tunes" and "Germany's Top Tunes." Arnold Johnson, WWOL's general manager, who originally conceived the idea, has made arrangements—using *The Cash Box* as his guide—with European diskeries for the servicing of their disks to WWOL. Other foreign-oriented programs throughout the week include "Continental Showcase"; "Stan Jasinski's Polka

Party"; "Polka Beehive"; "Mid-Morning Polkas"; "German Family Hour"; "Emilino Rico's Neapolitan Serenade"; "Nel Pikul's Polanaise."

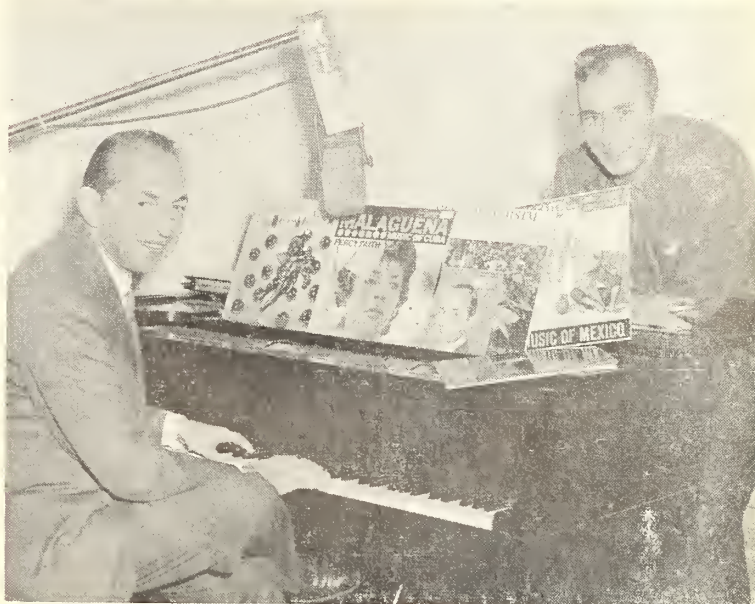

On Saturdays and Sundays, WWOL offers basically the same type of programming, except that several feature shows are produced in a foreign language. For example, Saturday's Rico and Pikul shows are done entirely in Italian and Polish, respectively. The Sunday "Irene and George Lawriwsky Ukrainian Hour" is broadcast in Ukrainian and Ernest Rettenoerf does the "German Family Hour" in German.

WWOL is a 1,000 watt outlet operating on the clear channel frequency of 1120.

Trinidad Likes Lauren

NEW YORK—The first recording by RCA Victor's new young artist, Rod Lauren, "If I Had A Girl," is one of the fastest-moving singles in Trinidad, it was reported by Dick Broderick, manager, record export marketing, RCA International. The disk is a hit here.

Cole Europe Tour In Spring

HOLLYWOOD—Nat "King" Cole will make a month-long concert tour of Europe from April 18 to May 20, 1960. Tour will mark Cole's first professional appearance in Germany and Italy.

Cole hasn't been in Europe since 1954. He made a triumphant tour of South America last Spring, however, and is blueprinting another tour of that continent, where his Capitol LP's, "Cole Espanol" and "A Mis Amigos" (the latter in both Spanish and Portuguese), are hits.

Cole recently wound up an engagement at the Sands Hotel in Las Vegas. He appears at Miami's Eden Roc and the Hotel San Juan in Puerto Rico prior to leaving for the European Continent. His dates in Europe are currently being worked out by his long-time manager, Carlos Gastel.

ATV May Star Jo Stafford

NEW YORK—Great Britain's Associated Television, England's major commercial television outlet, has reportedly made an offer to Jo Stafford to become the first American singing star of a series of 39 half-hour musical programs, to be filmed in London.

ATV has earmarked \$1,250,000 for a project which would kick-off with a Jo Stafford show, titled possibly "Jo Stafford Sings," in addition to programs starring English continental and other stellar American talent in competing with Hollywood as a main center for the international film-for-television market.

Miss Stafford's selection arose from her popularity overseas, in turn, having arisen from her participation of the Voice of America, on Radio Luxembourg since 1949, and her internationally high record sales. ATV would present Miss Stafford in a major drive to capture the European television programs starring vocalists with the exception of Perry Como.

Miss Stafford would retain American distribution rights in addition to part ownership throughout Europe and Asia.

"Fabulous Fifties" TV'er Credits Kapp Records

Diskery Signs LaRosa

NEW YORK—Dave Kapp, president of Kapp Records which commenced action in the Supreme Court of New York against CBS, General Electric and Leland Heyward, producer of the telecast "The Fabulous Fifties," announced last week that the action was settled prior to its coming to court.

Kapp claimed that the show was using the "Fabulous Fifties" title which was his property—a title he used on the smash Roger Williams album and a number of others. In settling the complaint, CBS, GE and Heyward agreed to acknowledge that Kapp Records had given the show permission to use the "Fabulous Fifties" title and will make mention of the album.

Kapp also announced last week that he has signed vocalist Julius LaRosa to a long term pact. The singer's first single will be issued in the near future and Kapp is planning an intensive promotion behind the lad.

Columbia "Stereo 7" Action

NEW YORK—Sales of "Stereo Seven," a Columbia innovation presenting stereophonic sound on a 7-inch, 33 rpm disk, are "booming," the diskery reported last week. Sparked by heavy air play of a special sampler recording coupling, Percy Faith's "Theme From A Summer Place" and Johnny Mathis' "The Best Of Everything," mounting consumer demand has led to Columbia's announcement of an expanded release schedule supported by strong trade advertising, the label added.

A significant indication of "Stereo Seven's" market potentials, Columbia feels, is the announcement by Seeburg, one of the nation's largest jukebox manufacturers, that standard equipment on all its 1960 models includes a dual-spindle automatically adjustable to both 33½ and 45 rpm spindle sizes. The same company has also perfected a special adapter mechanism for pre-1960 models.

Capitol Names Csida V.P., Eastern Operations

JOE CSIDA

HOLLYWOOD—The Board of Directors of Capitol Records, at its meeting January 27, elected Joe Csida to the newly-created office of vice president for eastern operations, it is announced last week by Capitol president Glenn E. Wallichs. Csida will assume this post on March 1.

Ed Burton Buys Csida Stock In Pub. & Mgt. Firms

NEW YORK—Ed Burton last week purchased for an undisclosed sum the entire stock interest of Joe Csida in Csida, Burton Associates; Trinity Music, (BMI); Town Music Corporation (ASCAP) and several other affiliated firms owned jointly by Csida and Burton, thus becoming sole owner of the operations. Csida sold out his interests in the companies to join Capitol Records, as Vice President for Eastern Operations.

The Trinity-Town-Csida, Burton firms were organized in June of 1954 and in a little more than five years had established themselves in the publishing-talent management fields. Among their hits were "Green Door" and "Talkin' to the Blues" by Jim Lowe; "Santa Baby" by Eartha Kitt; "I Dreamed" and "The Little Blue Man" by Betty Johnson; "That Do Make It Nice" and "I'm A Good Boy" by Eddy Arnold; "The Battle of Okamonga" by Homer and Jethro; "Sleep Walk", "Tear Drop" and the new hit lp by Santo & Johnny; "It As I" and "Fancy Nancy" by Skip and Flip and numerous others.

Csida, Burton has managed established stars and young new talent including Eddy Arnold, Bobby Darin, Johnny Restivo, Jim Lowe, Santo and Johnny, Skip and Flip, Norman Leyn and Jamie Coe. The firm continues to manage all of these with the exception of young Darin, with whom it now has a recording operation, Aldison Records and a music publishing firm, Music Development Corporation.

Apart from Csida's departure the Trinity, Towne, and Csida, Burton operations and personnel will remain completely intact. Bob Davie will continue as musical director and supervisor of talent and recording. Irwin Schuster continues as general professional manager of the Trinity and Towne firms and Bob Steinberg continues as financial administrator.

In his capacity as senior executive for all of Capitol Records' Eastern Operations, Csida's duties, in addition to general administration, will specifically embrace public relations, artists and repertoire and special events and projects, as directed by the President.

Csida for the past five and a half years has been president of his own firms in the combined fields of recording, talent-development-and-management, and music publishing, including Trinity Music, Inc., Towne Music Corporation and Csida, Burton Associates, Inc. Csida has divested himself of all interest in these firms via their sale to his partner, Ed Burton.

From 1934 to 1949 Csida was with The Billboard Publishing Company in numerous capacities, including those of music editor and Radio editor. For approximately the last years of his tenure with the magazine he was editor-in-chief.

In 1949 and 1950 he worked for Radio Corporation of America, initially as assistant to John West, Vice President for Public Relations and Advertising, and then as Director of Artists and Repertoire in charge of Popular, Country and Western, Rhythm and Blues, and Children's Records for the RCA Victor Division. Upon leaving RCA in 1950, Csida returned to The Billboard as editor in chief. He left the magazine in 1953 to organize Trinity Music. In the six years then, he expanded the operation to include the firms mentioned earlier.

In announcing Csida's appointment, President Wallichs said: "In accepting this new position in the Capitol organization, Mr. Csida fills a need that has existed since the company's inception. His extensive experience in almost every aspect in the music business, with his intimate knowledge of the important activities in New York, should prove invaluable in rounding out Capitol's executive group. Mr. Csida will coordinate all east coast operations as directed by the respective vice presidents in Hollywood, and will assume direct responsibility for publicity and public relations. Brown Meggs, Hollywood-based Director of Public Relations, will report to Mr. Csida."

Columbia Signs Schippers

NEW YORK—Thomas Schippers, the young American conductor, has signed a long-term contract with Columbia Records, according to an announcement by Schuyler Chapin, executive coordinator for Columbia Masterworks A&R.

Schippers, who is on the conducting staff of the Metropolitan Opera, a regular guest conductor of the New York Philharmonic, and artistic director of the Festival of Two Worlds in Spoleto, Italy, will make his first Columbia recordings in New York this Spring. He will record both symphonic and operatic repertoire for Columbia.

Earlier this season, Schippers, who this spring celebrates the 10th anniversary of his professional debut, appeared with the New York Philharmonic, the Boston Symphony, the Detroit Symphony, the Minneapolis Symphony and the Montreal Philharmonic. Following the conclusion of his Metropolitan Opera season, he journeys to Europe for further concerts and the third Festival of Two Worlds in Spoleto. He is scheduled to conduct both at the Metropolitan Opera and La Scala in Milan next season.

Rewarding Words

LAS VEGAS—Recently KBMI held a contest for its listeners to determine how many words could be made using only the letters in the name Andy Williams, to tie in with the singer's recent appearance at the Flamingo Hotel. Winner was Betty Bowles of Las Vegas, who, in addition to receiving a new Lincoln Continental, had dinner with Williams at the Flamingo.

Above, seated around the dinner table are (l to r) Bob Joyce, KBMI promotion director; disk jockeys Johnny C. Lange and Big Joe Chambers, Miss Bowles and Williams.

Roulette Pacts Al Hibbler

NEW YORK—Morris Levy, president of Roulette Records, announced last week the signing of vocalist Al Hibbler to an exclusive recording contract. The blind, one time Duke Ellington vocalist had been prior to this new affiliation recording for Decca where he scored with a number of smash selling singles and albums. Hibbler's biggest hit at Decca was the inspirational ballad, "He".

Levy revealed that Roulette was "extremely excited" about the Al Hibbler signing and that the company was not wasting anytime getting him into a studio. Teddy Reig, jazz A&R chief for the label, recorded Hibbler's first single side last week before departing for the West Coast. The diskery will release the initial Hibbler recordings on February 8. Levy also announced that Hibbler's first album set is now being mulled over and is tentatively scheduled for release in April or May.

Marv Johnson LP "Hot"

NEW YORK—United Artists reports that the new Marv Johnson album "Marvelous Marv Johnson" is off to a strong start with very substantial advance orders. Although the album was released only last week, UA is receiving re-orders from distributors daily according to Andy Miele, the label's National Sales Manager.

Miele credits the album's sharp sales activity to Marv Johnson's smash single, "You Got What It Takes". The album includes Marv's hit single. United Artists also reports three other albums released with the Johnson package, "The Persian Room Presents Diahann Carroll", Georgie Auld's "Manhattan With Strings" and Don Costa's "Shing Along With Ush" are doing exceptionally well. An extensive promotion and advertising campaign is supporting the push on the albums.

Dorothy Vance Hits Road

HOLLYWOOD—Dorothy Vance, West Coast promotion rep for Dot Records, last week left on a two-week swing around the eleven western states, first stop being San Francisco.

Miss Vance will visit deejays, retailers and Dot distributors in Portland, Seattle, Great Falls, Denver and Salt Lake City during the tour, plugging the entire Dot Records line, particularly Debbie Reynolds' "Am I That Easy To Forget"; "Bad Boy" by Robin Luke; Billy Vaughn's "You're The Only Star"; and Jim Lowe's "He'll Have To Go".

The Cash Box Award o' the Week

"MY STORY" (2:41) [Arc BMI—McDaniel]
"ROAD RUNNER" (2:24) [Arc BMI—McDaniel]

BO DIDDLEY (Checker 942)

● Diddle could easily have another chart item with the exposure on this wildly contagious new outing, "My Story." To the irresistible beat set up by him and his combo he rambles delightfully through a sort of life history. Lots of attraction for the kids here. Flipside, "Road Runner," is another of the familiar, infectious Diddle blues sessions.

"THE DECISION" [Wanda BMI—Stevenson, Barnes]
"WE MAKE MISTAKES" [Savoy BMI—Van Dyke, Cadena]

THE ENCHANTERS (Sharp 105)

● The group, with Mr. B holding down the lead chores most expressively, carves out a sentimental romantic in fine r&b-pop style. Could mean an important first chart trip for them. It's an all-the-way recitation, with the group supplying the accompanying vocal sounds. Flipside is another tender love ballad.

"WAITING" (2:10) [Lois BMI—Ballard] "THE COFFEE GRIND" (2:40) [Lois BMI—Ballard]

HANK BALLARD AND THE MIDNIGHTERS (King 5312)

● Either half of this new King release could mean a return to hitsville for the combo. It's a take-your-pick release; "Waiting" is a pretty romantic rock-a-ballad given the tender treatment, while they all cut loose on "The Coffee Grind," a driving rhythm affair especially for the dancers. Both are in the pro Ballard tradition.

● There's loads of dual-mart potential in the new releases of Ray Charles, the Drifters, Sammy Turner, Freddy Cannon, Ernie Fields, Faye Adams, the Royal Teens and Sammy Benskin's Spacemen. See pop reviews.

THE BONNEVILLES (Munich 103)

● "LORRAINE" (2:25) [Wilmax BMI—Maxwell, George] Galtied rock-a-ballad is expressively essayed by the group. Familiar r&b local group sound.

● "ZU-ZU" (2:35) [Wilmax BMI—Maxwell, George] Again the Bonnevilles indulge in the tender cutting of a dreamy ballad. Here high-tched male voice gets the spotlight.

US JENKINS (Pioneer 1003)

● "SIGNING IN" (2:22) [Orjae BMI—Jenkins, Jenkins] Easy going instrumental is essayed in OK fashion by the Jenkins ork. Piano and muted trumpet carry the solo load.

● "CUTTING OUT" (2:50) [Orjae BMI—Jenkins, Jenkins] To a tightly stepped up pace, the band continues in its pleasant way. Piano again the feature.

THE UPSETTERS (Gee 1055)

● "ROLLING ON" (2:15) [Najac BMI—Hopkins, Burks, Gaines, Robinson] Instrumental group can tick with the enticing sounds they set up here. Tune's an infectious melodious affair based upon a familiar eastern theme, and drums and vocal shouts maintain the flavor.

● "BLUES" (2:19) [Najac BMI—Avant] Driving, low down funky session has everyone contributing to the earthy feelings it communicates.

BILL DOGGETT (King 5319)

B+ "RAW TURKEY" (2:37) [Jay & Cee BMI—Glover] Lightly swinging instrumental blues is carved out by the Doggett band, with the leader in his usual solid solo role.

B+ "BACK WOODS" (2:59) [Jay & Cee BMI—Glover] Another interesting Doggett instrumental. This one has a folk-ish flavor. Sax man assumes most of the lead work here.

CLARENCE "GATEMOUTH" BROWN (Peacock 1692)

B+ "JUST BEFORE DAWN" (2:07) [Lion BMI—Brown] Here's an instrumental deck that could mean lots of loot for Brown. Some very unusual sounds are produced that sounds like a fiddle, but could be anything. An ear-arresting platter with potential.

B "SWINGIN' THE GATE" (2:45) [Lion BMI—Brown] Another unique-sounding instrumental that features a twangy guitar in the lead role. Both provide excellent programming material.

MR. LEE (Winter 501)

B+ "THE DECISION" (2:59) [Wanda BMI—Stevenson, Barnes] A tender love recitation is thoughtfully essayed by Lee, assisted by the familiar sounds of a male chorus.

C+ "WHAT'S YOUR NAME" (1:38) [Wanda BMI—Lee, Chatman] A frantic rocker from the old r&b school.

THE CASH BOX BULLSEYE

"REUNION (WITH DINNER ON THE GROUND)"

[Starday BMI—Balthrop]

"THE MONEY SIDE OF LIFE" [Starday BMI—Miller, Sovine]
FRANKIE MILLER (Starday 481)

● With "Reunion" a good bet for his third hit-in-a-row, Frankie Miller is fast becoming a consistent hit producer. Soon to join "Family Man" on the list, the tune is a fast paced comedy opus that really gets across the contagious happy feeling. "Money", on the flipside, is a honky-tonkish ballad weeper that also rates loads of attention.

"A SIX PACK TO GO"

(2:07)

[Brazos Valley BMI—Thompson]

HANK THOMPSON (Capitol 4334)

● With "I Didn't Mean To Fall In Love" finishing up its chart run, Thompson comes up with another pair which could easily put him right back on top. The deck couples a quick beat "beer drinking" song, "A Six Pack To Go," with an unusually sensitive plaintive, "What Made Her Change." Watch 'em both.

"WHAT MADE HER CHANGE"

(2:21)

[Texoma ASCAP—Thompson]

"SOMEONE WAS ALREADY THERE"

(2:26)

[Champion BMI—Helms, Abram]

BOBBY HELMS (Decca 41041)

● Helms could get back in the hit groove with either of these two country weepers. "Someone Was Already There" is taken at an upbeat while "To My Sorrow" falls into the middle beat ballad category. Both are sung with loads of feeling and feature top notch pop-angled chorus assistance, which could mean dual-mart coin.

"TO MY SORROW"

(2:10)

[Adams, Vee & Abbott BMI—McAlpin]

● Don Gibson dishes up another hot pop-country pairing. See pop reviews.

HARVIE JUNE VAN

(RCA Victor 7668)

B+ "WHEN YOU ARE HERE" (2:14) [Backwoods BMI—Ferguson] Tender sentimental ballad is wrapped up in heartfelt fashion by the thrush. Miss June's effectively poignant and gets fine help from the chorus. Deck with a future.

B+ "POOR WILDWOOD FLOWER" (2:25) [Backwoods BMI—Ferguson] The pace is stepped up considerably for Harvie June's pretty warbling of this bright-world-turned-blue opus. Could be a back-to-back winner.

KIRBY BUCHANAN (Starday 485)

B+ "A SATISFIED MIND" (2:45) [Starday BMI—Hayes, Rhodes] Buchanan comes up with an interesting revival of the Porter Wagone smash of a few years back.

B "TIMBROOK" (2:15) [Ralph Radio Music BMI—Howell] Her Buchanan offers a fine reading of the tune now hitting for Lewis Pruitt on Decca. Can figure in the final count ing.

DON RENO & RED SMILEY

(King 5320)

B+ "FREIGHT TRAIN BOOGIE" (2:20) [Lois BMI—Scott, Nobar] Reno, Smiley and the Tennessee Cut ups are a combined delight on this rocking blues item based on the ol' Casey Jones legend. An infectious session in the boys' tradition.

B "MONEY, MARBLES AND CHALK" (2:55) [Lois BMI—Eckler] Lifting waltz sets up the weeping words of this lament in a tractive, true country scenery.

ROBBY ANDERS (KRCO 104)

C+ "SAY THAT YOU CARE" (2:33) [Ken-Rick BMI—Ingham, Roticheaux] The songster serves up a OK reading of a blue romantic ballad.

C+ "A PICTURE OF YOU" (2:15) [Ken-Rick BMI—Ingham, Roticheaux] Another weeping opus turned out in similar fashion.

DAN KUBIAK (Dorrington 100)

C+ "FINDING YOU" (2:00) [Star-rite BMI—Penland] Rousing romancer is swept along at a fast clip by Kubiak and the Sound Waves. Lots of hot electric guitar sounds livens things up.

C "FALLING FOR YOU" (2:15) [Star-rite BMI—Kubiak, Penland] Slow pop ballad is turned out in OK pop vocal group fashion with Kubiak in the lead role.

HIRAM PHILMON (Philmon 1000)

C "YOU GOTTA LOVE ME BABY" [Philmon] Low down country blues is moaned with feeling.

D "I'M LONESOME BABY" [Philmon] Another fast moving rock-a-billy blueser gets Philmon's soulful reading.

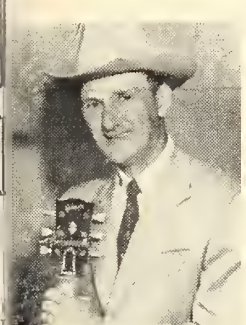

Country Round Up

Tom Edwards, former top rated pop disk jockey at WERE-Cleveland, has started to book his Saturday night country TV show on the road throughout Ohio, Pennsylvania, Indiana and Michigan. The show is carried, via WEWS-Cleveland, on a five-station Ohio State network. Already booked, through Sid Freeman of Cleveland, is a Feb. 23 appearance at the Akron Armory, of

JIMMY DAVIS

Hank Snow, Jim Reeves, Stonewall Jackson, Kitty Wells and Johnny and Jack. Also included in the line-up is Tom's own troupe of eight modern square dancers. Interested parties can contact Tom through WEWS. . . . We join the "Grand Ole Opry" in extending man-size congratulations to Jimmy Davis on his victory in the Louisiana Primary. Davis' latest record is "Nobody's Darling But Mine" b/w a new recording of "You Are My Sunshine," the tune Jimmy practically made the national anthem. . . . All the "Opry" people are excited about Stringbean's "Barnyard Banjo Picking" on the Culman label. They're all keeping their fingers crossed according to Trudy, who also sends along news that Ferlin Husky came back from Idaho with a moose, when all the time she thought he was after "Black Sheep." Hubert Long tells us that after preparing a new single release, Faron takes off for a week-end in Seattle and then a week in Fairbanks, Alaska for some dates as well as grizzly bear hunting. Also in this department, Faron Young and Hubert Long landed a six foot nine inch sailfish off the Miami Beach coast. . . . Jim and Jesse and the Virginia Boys of Valdosta, Ga., were among the guests at the big "Opry" show (Jan. 29) sponsored by Martha White Mills in Pensacola, Fla., reports their fan club prexy Jean Osborne. . . . Johnnie Humbird, whose initial Columbia release is "Swamp Bird" b/w "Porch Light," was in Nashville recently cutting his second disk for Don Law. While there, Johnny appeared on both the "Opry" and the Ernest Tubb shows. . . . Lawton Williams was promoted to program director of KCUL-Fort Worth. In addition to his regular five hours a day, Lawton is a regular on the station's Sat. eve "Cowtown Hoedown." His latest disk is "Satan's Bell" b/w "I Don't Know Who Cares" on the "D" label. Lawton also tells us that Floyd Tillman is doing real well spinning 'em for KRCT-Houston.

LAWTON WILLIAMS

If Frankie Miller's newest Starday outing, "Reunion (With Dinner On The Ground)" b/w "Money Side Of Life," comes through for him it will mean three in a row for the artist. ("Black Land Farmer" and "Family Man"—still up there). The Starday people are going all-out for Frankie in hopes that this one will be his biggest to date. . . . Also out of the Starday diskery is Kirby Buchanan's waxing of "Timbrook," the disk hitting for Lewis Pruitt, b/w a revival effort of "Satisfied Mind". . . . Lenny Salidor announced that Elmer Snodgrass' "Until Today" has been purchased by Decca from Country Jubilee. . . . John E. Murphy, program director of CJLX-Fort William, Ontario, writes that his Lakehead area is a real hotbed for country music and that until the station took up part-time country programming recently nobody was doing anything about the area's potential. Murphy says that the re-issue of the "Are You Mine" hit of a few years back is getting good local action and thinks it could make it all over again. He's also partial to Orella Myers' "Ask Lucille" b/w "My Paradise" on the Zero label. No wonder, Orella is a local girl. New at CJLX is Ted Daigle, hired or both pop and country spinning. Ted also records for Rodeo, London's country subsid. . . . Leon McAuliff and the Cimarron Boys start off the 1960 air season with an appearance at the Florida State Fair in Tampa, Feb. 2-14. Appearing with Leon will be Dale Robertson's "Wells Fargo" TV show, doing some 18 performances during the two-week stand. According to Leon's manager, Don Thompson, the '60 season of fairs, rodeos and horse shows promises to be the biggest in history for Leon. For the increased fair bookings, he Cimarron Boys have been increased to ten members. . . . The English market continues to boom. Wesley Rose and Don Pierce, chairman of the board and secretary of the Country Music Association respectively, plan to spread the country gospel there soon. Pierce goes there (plus France and Germany) in late Feb. or early March, while Rose is skedded to cross the sea in April.

FRANKIE MILLER

Glenn "Sky" Corbin, general manager of KLLL-Lubbock, Tex., announces that the station has gone 100% country programming. They have dropped their Spanish language show and the after-school rock and roll bandstand and are now devoting all efforts in spreading country music over the local airwaves. They have added Troy Fields (from KSEL-Lubbock) to handle some of the spinning chores. . . . Stan Karas and Jim Clark note that when Don and Phil Everly dropped in on them at WARL-Arlington, Va., the brothers were using Man Tan like it was going out of style. Johnny Horton also stopped in to see Stan and Jim left a miniature model of the Bismark promoting his record, "Sink The Bismark," which he and Tillman Franks wrote. The boys also like the other side, "The Tale The Old Crow Told Me". . . . Wayland Jennings has joined the staff of country music spinners at KDAV-Lubbock, Tex. Jennings is former member of the late Buddy Holly band. . . . The Bandera people are excited about Bob Perry's new one for them. Titled "It's The Way You Are" and "Don't Say Those Things," the tunes were cut in Victor's Nashville studios and feature, among others, Chet Atkins, and Jimmy Day in the background on the label. Cutting took place the same day as Betty Foley's "Old Moon" Session or the label.

America's finest and most complete music systems

The 16th Annual Amusement Trades Exhibition opens this week in London at the New Royal Horticultural Hall and for the first time coin operated equipment from all over Europe and the United States will be displayed to what is expected to be a record attendance.

Reports as early as several weeks ago advised that exhibit space was completely sold out with every inch of available space being contracted for. The larger exhibitors were requested to limit the number of booths in order that as many exhibitors as possible be accommodated.

This coin machine convention which starts February 2 and runs through February 4, will undoubtedly be the largest A. T. E. show in its history. The first post-war show in 1945 offered no new equipment due to the shortage of materials at that time. About five years ago, a slight relaxing of restrictions permitted the display of new German equipment. In the ensuing years as much new equipment as was possible under the government laws was exhibited. This year, however, the A.T.E. will feature coin operated equipment from all over Europe and the United States for the very first time. Britain's lifting of import restrictions during the Fall of 1959 has opened the doors wide to foreign countries and the result will be the greatest array of coin operated equipment ever displayed under one roof. European and American phonographs, 1960 models, will be displayed with most of the new models introduced for the first time. Most makes of amusement games and a large variety of vending machines will also be on display.

The number of exhibitors, the record attendance expected, and the drama that comes with the introduction of equipment never seen before, all makes for an excitement that will lend to this trade convention the perfect atmosphere for doing business.

The success of the A.T.E. rests with its sponsors, members of the Amusement Caterers Association and the Amusement Trades Association. Through the years this organization has built a sturdy and healthy convention that has attracted the European coin machine industry serving as a clearing house for ideas. The result has been constructive progress. Growing as it has, this year the United States will help to continue this success and progress.

The Cash Box has regularly pointed to the European coin machine market as a most important outlet for the sale of coin machines. With the start of this most important A.T.E. it appears that there is a likelihood of Europe and the U.S. interchanging not only ideas but possibly equipment, in the years to come. Up until now it has been a one-sided affair with Europe the recipient of approximately \$12 million in phonographs, amusement machines and vending equipment annually from the U.S. With the introduction of European manufactured equipment displayed side by side with American equipment to a common market in England the potential looms larger than ever before. As previously mentioned it does not seem remote that the future could hold the export of European equipment to American shores.

In keeping with its policy of reporting the world news to the international coin trade, *The Cash Box* will exhibit at the A.T.E. where copies of this special A.T.E. issue will be distributed to the thousands of expected visitors. From all indications, coin machine interest all over the world, and especially in the United States, is running high. We believe that news coverage such as will be found in this issue and subsequent issues serves the industry in a constructive manner.

We salute the 16th Annual Amusement Trades Exhibition and wish it the very best of success. We believe that England and all of Europe will benefit greatly from this exchange of equipment and ideas. We hope that the United States plays no small part in the future growth of the European coin machine market. Both markets have much to offer each other. It is only a matter of time before the entire industry is truly international in its everyday thinking. This can only lead to even greater potential for all concerned. Trade conventions such as the A.T.E. will help the industry achieve this goal.

AMUSEMENT TRADES EXHIBITION OPENS IN LONDON; RECORD ATTENDANCE EXPECTED

New U.S. Coin Equipment To Be Displayed At A.T.E. For First Time

Music, Games and Vending Equipment From U.S. and Europe Expected To Attract Thousands Of Coinmen

LONDON—The stage has been set for the largest Amusement Trades Exhibition ever to be held in London. The 16th Annual A.T.E. will start Tuesday, February 2, at the New Royal Horticultural Hall and will continue until Thursday, February 4. The lifting of government import restrictions several months ago was seen as the prime reason for an expected record attendance. New coin operated equipment from the United States will be displayed in Europe for the first time. European equipment from all over the continent will also be exhibited during the three-day convention which expects to attract several thousand coinmen.

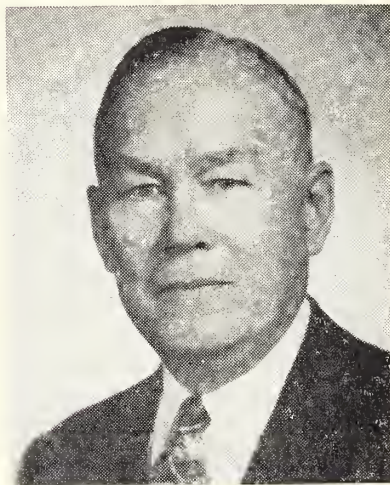

Last minute decisions prompted many leading coin machine distributors in the United States to schedule

trips to London in order that they attend the convention and also visit with the European market during and after the coin show.

Exhibit space was reportedly sold out several weeks ago and prompted many exhibitors to arrange for special showings at local hotels. Due to the large demand for space, many exhibitors contracted for space on the convention floor to be supplemented with additional space at local hotels and showrooms.

Complete details of the 16th Annual Amusement Trades Exhibition will be published in forthcoming issues of *The Cash Box* through permanent facilities in London, and also from first hand coverage during the show from The Cash Box booth on the convention floor.

Wurlitzer 9-Month Net Highest Since 1954-Dec. Figure Highest In 12 Years

R. C. ROLING

CHICAGO—Net earnings of The Wurlitzer Company for the month of December, 1959 were the highest of any year for the past twelve years, and for the nine months' period ended December 31, 1959, the highest of any year since 1954, advised R. C. Roling, president.

Sales for the third quarter (Octob-

er, November, December) were \$11,869,825, up 24% from \$9,561,234 in the same quarter last year. Net earnings were \$364,272 or 41¢ per share. This compares with net earnings of \$239,153 or 28¢ per share for the same quarter last year.

Sales for the first nine months (April to December inclusive) were \$28,602,090, up 24% from \$23,150,873 last year. Net earnings were \$632,618 or 71¢ per share on 886,210 shares, compared with \$255,658 or 30¢ per share on 860,525 shares for the same period last year.

At December 31, 1959 the Company had the largest backlog of orders for Wurlitzer products of any year in the last ten years, according to Roling.

"All divisions of the Company are currently operating at record levels and we expect sales and profits for the fourth quarter (January, February, March, 1960) to be good. The Company is continuing to expand its research and engineering program in the field of electronics, and is currently negotiating for government work totaling approximately \$10,000,000," said Roling.

At a meeting of the Board of Directors held January 22 a 20¢ dividend was declared payable on March 1 to holders of record February 11.

Free Miniature Wurlitzer Banks At Distribs

NORTH TONAWANDA, N. Y. — Operators who attended the recent Wurlitzer Week showings across the country were recipients of an unusual souvenir. Each visitor received a tiny replica of the new Model "2400" juke box. Actually the three-inch high model is a coin bank, with a slot at the top large enough to accept all coins up to and including half dollars. The little metal models are fully detailed and complete, even to the transparent dome glass. The bottom contains a hinged cash box door with its own special key. Wurlitzer officials hint that the plot behind the gift is a subtle one—to encourage operators to save and buy new Wurlitzers of course! Those who have yet to view the new Wurlitzer Line for 1960 are invited to drop in on their distributor at any

time. One of these little banks awaits the visitor.

Above: Susan Saunders holds little juke box bank, replica of the 1960 Wurlitzer phonograph. Miniatures are presented to operators who visit distributor showings!

O'Donnell Sees One-Ball Play Ops' Solution To Inflation Problems

CHICAGO—"The big question the industry faces today," states Bill O'Donnell, general sales manager, Bally Manufacturing Company, this

city, "is how can the coin operated amusement industry escape the squeeze of inflation?"

Continuing, O'Donnell said, "When the rising cost of production forces up the price of equipment, can the operator simply raise the coin-chute price to players? Certainly not! Strong as the American public's affection for pinball may be, players think of coin-operated games in terms of nickels and dimes.

BILL O'DONNELL

"Multiple-coin play is, of course, a very practical solution to the problem. But multiple-coin play is not adaptable to all operators.

"Accelerated play — increasing games-per-hour earning-power—is the only solution to the problem of inflation in single-coin operations. Accelerated play is the secret of the sensational earning-power of Bally 'Beauty Contest.' Fast one-ball play, plus exciting action and new 'light-a-lady' scoring, built into 'Beauty Contest' results in daily cash-box collections 3 to 5 times greater than average earnings of top single-coin 'novelty' games—by actual side-by-side location tests.

"What is the player's reaction to one-ball play? The answer is in the cash-box. 'Beauty Contest' is designed to give the player his money's worth of action, suspense and skill-thrills—more fun and scoring satisfaction with one ball than he gets with 5 balls in an ordinary single-coin game. In fact, comments of players on locations, as well as cash-box evidence, indicate that the pinball public welcomes the fast action of one-ball play.

"And," concluded O'Donnell, "operators agree with the statement of a leading Midwest distributor who says, 'Bally Beauty' with one-ball play looks like the start of a new era of prosperity in single-coin operations."

German Arcade Association Salutes A.T.E.

HAMBURG—Herr Lars K. Skriver, vice-president of The Verband der Deutschen Automaten-Sport und Spielhallen-Besitzer e.V. (The German Amusement Arcade Owners' Association) sends the following greeting to his English colleagues:

"My best wishes for the success of this year's Amusement Trades Exhibition at the New Royal Horticultural Hall, London. When visiting your really representative and always much frequented Exhibition I have always been able to ascertain that the members of the English Coin Machine branch are exercising a fair cooperation. This will ensure credit, reputation and good public relations.

"I am sorry to say that the same cannot be said about the coin machine branch in the German Federal Republic. Here we are still so much behind

the times that 'Amusement Arcades' that is to say the really typical locations for amusement as well as gambling machines in restaurants, cars, etc. It is a fact, of course, that every sort of control is much more difficult when the machines are placed thousands of restaurants instead in a limited number of licensed arcades.

"However, our Association is of the opinion that if we want the operation of amusement and gambling machines accepted as a legal and honorable trade by the Authorities and the public, we just have to welcome the highest possible control of our business. We, therefore, are of the opinion that in any case pay out machines should only be licensed in arcades and similar places.

"Knowing that these ideas are closely associated with the way our machine business is, and will be done in England, it is a special pleasure to me to let *The Cash Box* pass the greetings to all members of the English Coin Machine Branch."

PIERRE, S. D.—Over 60 Operators, trades people and local distinguished guests were in attendance at the Smorgasbord dinner and social evening formally opening the South Dakota Phonograph Operators Association quarterly convention, January 17 and 18. All four State Directors, Norman Gefke, Sioux Falls; Tony Trucano, Leadwood; Burrell Brown, Mobridge; and Lloyd Morgan, Rapid City, as well as all three officers: president, Ron Manolis, Huron; vice-president, Elmer Cummings, Brookings; and secretary-treasurer, Earl Porter, Mitchell, were in attendance. which was unanimously endorsed by POA, most all indicating intentions attending. In addition to the seven states already announced, two more: namely, North Dakota and Minnesota, will also send delegations. Other business discussed, but action deferred until the nine state meeting, participation in the newly proposed "Information—Public Relations Council" to be a subsidiary of MOA. Action was taken to defer the next quarterly convention to join with the Nebraska nine state meeting and hold separate business session there for routine and necessary business. Twenty-eight people attended the Finale

Banquet program. The Mayor's office was represented by R. C. Leonard, City Commissioner, Dean Claybaugh, Director "State Legislative Research Council," Harold Schuler, Senator Francis Case's Representative, and "Bob" Fisher, Keynote, were on the speaker's panel. In general the meeting was enthusiastically endorsed by all present.

**Music Systems Ltd. Eases
Service Problems For Ops**

50 Depots Throughout Country

LONDON—Music Systems Ltd. the sole concessionaires for all United products for the British Isles announce that arrangements have been concluded with a Great Britain-wide service organization for the servicing of United Phonographs (and only Uniteds) from any one of their 50 depots throughout Great Britain, and what is more, United Phonographs can now be bought, if it is so desired, at a price including independent guaranteed comprehensive free service (including mileage) whether one or more machines are purchased. This will make it possible for many people to become operators who have been unable to do so in the past through lack of service facilities.

**Ruffler & Walker At A.T.E.
Plus Special Office Showing**

LONDON—Ruffler & Walker Ltd., sole importers in the United Kingdom for Rock-ola, will have as their theme the new Rock-ola Tempo II for which a special stand has been built to form an elaborate centre display. First released in the States eight weeks ago and officially announced in England on January 29th, the main features of the new "Tempo II" are that it is a dual purpose machine for monaural and stereophonic sound. By a flick of the tri-fonic switch it may be operated with monaural sound and by the addition of extension speakers with stereophonic.

A new idea is a combination of the two sounds by a third position of the switch giving hybrid sound which basically is the bass coming out of the machine and bass and treble out of the extensions. These machines will be selling at the old monaural prices which considering that all machines are now fitted with three internal speakers and all have stereo sound systems is a considerable saving in money. Good reaction has come from operators when first viewing the fully exposed title panel which supersedes the roller drum. Preliminary reports from the United States and the Continent indicate that it has been enthusiastically received and operators are looking forward to another service free year with a completely unchanged mechanism.

Owing to lack of space nowhere near this company's full range of equipment will be on show. However, a subsidiary exhibition will be held at their St. John's Hill showrooms with Mr. Walker in attendance. Out of a new consignment of some 500 fruit machines, many not previously seen in this country, a good number will be on show and available for immediate assignment from the stands. As well as having their own 'shooters' on show Ruffler & Walker are pleased to announce they have the sole agency for The Chicago Coin "Playland Rifle Gallery."

Sy Redd Flies To London Coin Show

W. S. (SY) REDD

ALLSTON, MASS.—Sy Redd, president, Redd Distributing Company, this city, leading New England distributors for Bally, Chicago Coin, Fischer and jobbers of all types of vending and arcade equipment, was scheduled to leave Idlewild Airport, in New York City, on Saturday, January 30, to arrive in London the following day, in order to make preparations to attend the Amusement Trades Exhibition, being held at the New Royal Horticultural Hall, in London, starting February 2.

Redd stated that he considered the A.T.E. the most important coin machine event to be held in Europe for many years. "Because of the tremendous progress the A.T.E. people have made in past years, and with the lifting of restrictions on American equipment, I believe that I should be present at the A.T.E. in order to keep abreast of the worldwide coin machine picture," said Redd.

"The events leading up to the opening of this coin show have proven to me that it is certainly an important

enough show for any exporter to attend. I hope to remain in London after the show with tentative plans for traveling to other European countries with the plan of expanding our current export division. We have the equipment that Europe seems to have the greatest demand for and it will be a matter of meeting many of the importers on a personal basis, in order to explain the facilities available to them at our New England plant," concluded Redd.

Offers Prize Money For "Bal-Ami" Symbol

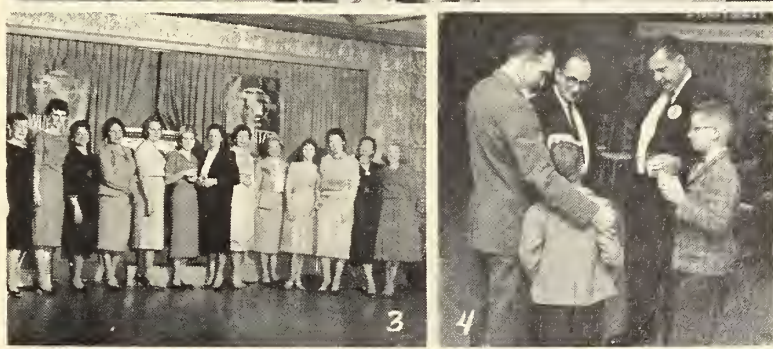

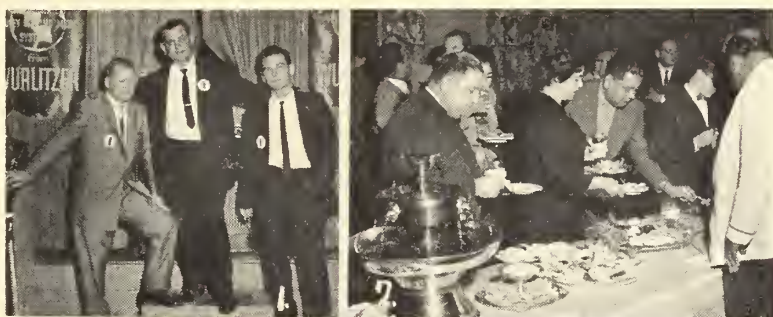

LONDON—Peter Simper, managing director of Peter Simper & Co., has visited the U.S.A., taking in Los Angeles, Reno, Chicago, Grand Rapids and New York. He was away for ten days, arriving back in this country in time for The Amusement Trades Exhibition on February 2nd to 4th.

The most interesting event taking place at the moment is the search for an animal or "thing" to represent BAL-AMI. Whilst in America Mr. Simper interested John Haddock, president of Automatic Music Inc. in this, in order to have a BAL-AMI symbol in America as well as England. They have had such a big response to their initial enquiry for such a symbol that they have decided to make it nation-wide with a first prize of not less than £100 and a second and third prize as well.

Peter Simper & Co. will be opening new premises this year in London to cover the South East England territory.

The advertisements in London and in the trade press read: "A prize of not less than £100 will be paid to any person supplying an idea which will be used as a symbol which will be called 'Bal-Ami'."

Bill Williams Dist. Hosts Texas Coinmen

HOUSTON, TEXAS—As reported in the January 23rd issue of *The Cash Box*, the Bill Williams Distributing Company showing held during Wurlitzer Week, was quite an affair. According to Wendell H. Williams, vice-president, the firm sponsored an elaborate buffet and invited coinmen from the outlying area to attend.

Pictured above are several of the photos, shot at random, during the

showing of the Wurlitzer "2400" phonograph line. (1) Ted N. Dye, secretary-treasurer; Bill Williams, president; and Wendell Williams, vice-president. Wico's Shipping System Improves Service

CHICAGO—Milt Wiczer and Ed Ruber, Wico Corporation, this city, advised last week that the firm's new policy of vastly improved and expanded service for their customers is now in full operation at the plant, although overall planning is still in the process of completion.

The elaborate new automation system is being instituted at Wico by a firm of efficiency engineers, and is designed chiefly to greatly expedite overall operation, and achieve the ultimate in one day shipping service.

"It has always been our wish to make the Wico system for shipping parts and components the fastest, and most accurate throughout the world," Wiczer stated.

"This is now a fact at Wico Corporation," continued Wiczer, "through the installation of various office machines, key punch inventory controls on the largest stocks of parts and supplies, streamlining the stock keeping, order filling, and billing and recording. Little mal-adjustments which sometimes occur and slow up the procedure, even the slightest bit, are now simply ironed out and eradicated.

"Our new system is 'humming like clock-work' now to the satisfaction of everyone in our offices and factory," Wiczer said. "Now our customer contact all over the world is functioning at peak efficiency.

"The Wico plan has been designated to make the shipping of a little 10-cent part as important as a large order," Wiczer added, "because it has

always been our experience that the customer must have immediate delivery of such an item, regardless of the size and cost, when a phonograph or amusement game is out of commission. Equipment which fails to operate does not bring any money in to the operator.

"This plan," he continued, "is in keeping with our simple principle that our customers deserve only the quickest and most reliable service at all times.

"However," Ed Huber interposed, "we are not neglecting the matter of constant research. In fact, nothing is being sacrificed to achieve this ultimate goal of speed and reliability.

"Again we urge distributors and operators in this country and abroad to contact us for their free copies of Wico's 1960, 109 page illustrated catalog, which features thousands of parts, components, and other equipment, available to the coin machine trade," Ruber concluded.

Telefortune At No. 21

LONDON—The Telefortune Co. Ltd. is on Stand No. 21. They will be exhibiting their unique fortune telling machine of which they are the sole manufacturers and distributors. Your fortune told by telephone lasts one minute and costs sixpence. First manufactured two years ago the machine is mainly in white parapelex and illuminated from the inside.

Chi License Approval Spurs Empire Coin Sales On Auto-Bell's "Magic Mirror"

CHICAGO—Gil Kitt, owner of Empire Coin Machine Exchange, this city,

expressed his delight last week over the recent approval for licensing by Chicago civic officials of Auto-Bell Novelty Company's "Magic-Mirror" Horoscope amusement game.

"We are especially happy over the city's licensing approval for this particular amusement game," Kitt said, "because of the fact that it is easily adaptable to any size or type of location—however small or large—anywhere.

GIL KITT

"Since compactness and ease of servicing are an important factor in placing games in many locations operators cannot reach with larger units, there is a lot of interest shown in 'Magic-Mirror' Horoscope among many of our local operators.

"As a result," he continued, "sales have been very high throughout our entire scope of distribution. In fact, collections have definitely exceeded our greatest expectations by far to date.

"The opening of many new types of locations assures us of continued greater player activity with other future amusement games of this same type.

"Among the variance of locations, we are currently getting excellent collection reports from operators of railroad stations, air depots, lodges, clubs, taverns, arcades and other amusement centers.

"We hope to arouse further, more substantial interest in many smaller locations during the course of our exposure of 'Magic-Mirror' Horoscope," Kitt said in conclusion, "and ease of servicing the equipment will considerably reduce resistance to our efforts."

Including New Juke

New Tokyo Hotel Has Everything

TOKYO, JAPAN—The "Atami Castle of Dreams", latest tourist attraction of Atami, famous hot-spring resort near here, is a hotel built in the style of a Japanese feudal castle.

The ancient architecture of this new resort which cost more than two million dollars (U.S.) contrasts sharply with its interior where air conditioning, escalators and television are but a few of the modern touches employed for the comfort of guests.

Of special interest is the new 200 selection AMI Juke Box which occupies a position of prominence in the bar of this beautiful new hotel.

Ditchburn Prepares For A.T.E. Convention

LONDON—On stands 33-35 the Ditchburn Organisation is represented by three of its associated companies, Ditchburn Equipment Ltd., Music Maker Ltd. and Ditchburn Vending Machines Ltd., though the major portion of the exhibit will be devoted to the well known Music Maker Automatic Phonographs handled by the first two of these companies. Two of the current wide range of Music Maker models are exhibited in a sound-proof stereo demonstration theatre built into the stand. First, the very latest Seeburg—widely acclaimed as the finest 'custom-built' sound system to come from America—for which The Ditchburn Organisation holds the distribution rights in Great Britain. Second, the Tonomat Panoramic—an attractive 200-selection stereophonic or monaural model at a popular price. There is also the introduction of

the Seeburg "1000"—a revolutionary new background music system giving 37½ hours continuous or intermittent music consisting of a thousand selections. Three complete libraries of music are available each designed to meet the needs of particular types of business.

Ditchburn Vending Machines Ltd. are demonstrating their Hot-Spa and Cole-Spa drink vinders and Supa-Bins, manufactured at their modern Lytham factory under license from the Cole Products Corporation of Chicago. These are fully automatic machines, each giving a choice of seven drinks served at the rate of one every seven seconds in hygienic, disposable cups.

Shown here are several Music Maker model phonographs being checked before leaving the Ditchburn plant en route to the A.T.E. stands.

Cyril Shack Appears On British TV Program

LONDON—This week the juke box industry received yet another prestige shot in the arm when Cyril Shack, leading distributor and operator and Managing Director of Phonographic Equipment (1958) Ltd., was invited to appear in B.B.C. Television's top disk programme "Juke Box Jury"—with an estimated viewing public of over 8,000,000.

The programme devised by Peter Potter and presented by Russell Turner has as its resident chairman leading D. J. David Jacobs. The jury, which varies each week, is made up of four celebrities backed by a teen-age audience. On the panel with Cyril Shack were Television personality Catherine Boyle, singer Patricia Breden and D. J. Alan Freeman.

Shack, who came across well, displayed an easy, relaxed personality. His observations on the disks played were knowledgeable and straight to the point . . . plugs for the juke box industry were given where possible. He is to be congratulated on a performance which reflected credit on himself and on the industry as a whole.

Westinghouse Announces New Bulbs For Vending

BLOOMFIELD, N. J. — Westinghouse Lamp Division, this city, has announced a new incandescent light bulb for vending machines which will withstand severe vibration and shock, according to officials of the firm. The bulbs have five separate supports to hold the tungsten filament. According to the report, it is this delicate filament on former bulbs which usually broke when subjected to vibration during the course of operating.

The new 10-watt bulbs are known as C-7 vibration service lamps and are available with conventional screw base or with double contact bayonet type base which prevents the bulb from becoming loose. The new bulbs are said to burn for more than 5,000 hours.

N. Y. State Coin PR Group To Award Trophy To Regional P. A. L.

Winner To Be Selected From Seven State Area

AL BODKIN

NEW YORK — A large, beautiful trophy will be presented by the Public Relations Committee of the New York State Coin Machine Association to the outstanding athlete selected from 100,000 members of the Police Athletic League, according to Al Bodkin, chairman.

The top athlete will be picked by officials of PAL at a conference meeting of the National Police Conference on PAL and Youth Activities at their meeting in May. The Conference consists of 47 PAL organizations in States. Member PAL organizations are: CONNECTICUT: Bridgeport, Meriden, Hartford, New Haven, New London, Norwalk, Stratford and Westport; FLORIDA: Hollywood; PENNSYLVANIA: Allentown, Easton, Philadelphia, and Reading; MARYLAND: Baltimore; NEW YORK: Binghamton, Buffalo, Mount Vernon, Nassau County, Newburgh, New York City, Ossining, Rochester and Yonkers; RHODE ISLAND: Providence; NEW JERSEY: Bayonne, Bloomfield, Cliffside Park, Dover, Elizabeth, Fairview, Guttenberg, Hamilton Township, Hillside, Hoboken, Irvington, Kearny, Linden, Lodi, Newark, New Providence, North Bergen, Passaic, Secaucus, South Plainfield, Trenton, Union City and Weehawken.

The Public Relations Committee of this is a most worthy effort in program to create good will for the industry as the 100,000 members of PAL would reflect directly on a million or so people. It is hoped that the presentation can be set up to be made on a television program which would add to the coverage.

Vending In Paris

PARIS, FRANCE—The picture at the right could be of any service station but it so happens that the Shell Company, Paris, was the fortunate one to receive the first Cole-spawn Hot-spa vending machines in this area.

The machines are manufactured under a licensing agreement with Cole-spawn Products Co., Chicago, and the Ditchburn Co. of London. According to Richard Cole, the great gains made lately by the firm's overseas affiliates have been due to the efforts of the Ditchburn Company and the firm's relationship with European outlets.

A.T.E. Show Spurs Several Coinmen To Last Minute Trips — EASTERN FLASHES —

Topics of conversation along coinrow this past week ran from the Amusement Trades Exhibition which starts in London on Tues., Feb. 2nd, to the 1960 UJA Coin Division drive of which Irving Holzman has been appointed chairman. Many coinmen have shown interest in the London coin show with Mike Munves and brother Joe taking space at the convention. Dave Schum Atlas Distributors, Boston, called to say he'd be at the show, and of course Gabe Forman, Moore Overseas Corp., is in London now, not only for the A.T.E. show but to start the wheels rolling on the newly acquired M Bell-O-Matic line. The Moore organization landed the franchise for the United Kingdom last week and Forman will set up an organization in London during his stay. Sy Redd, Redd Distributing left for London on Sat. a.m. with intentions of spending 3 days at the A.T.E. and then following up what hopes will be solid contacts made during the show. The A.T.E. committee advises that many new models will be shown for the first time to the European visitors and it has shaped up as the largest coin show on the Continent. The Cash Box London office will look a little like our Broadway office here in N.Y.C. if everyone who says they will stop by shows up. . . . Irving Holzman called and mentioned the next UJA committee meeting on Thurs. eve. Call him for the details and drop by the meeting. The guest-of-honor should be decided upon at this next meet. . . . Bert Betti, Eastern Novelty Co., Union City, N. J., telephoned to advise that business during 1959 was just great: to date all three Betti affiliated firms are doing fine. "Eastern Novelty selling pool supplies and slate, Betson Enterprises is doing one heck of a jobbing business, and H. Betti and Sons operation enjoying a wonderful year. I've no time for worrying about business being bad, it takes too much time just to keep things perking!", said Bert. Humbert Betti Sr., veteran coinman came over from Italy to stay with Bert and his family and is enjoying himself in the wilds of New Jersey. He expects to leave for Italy some time in February. . . . Sandy Moore, Sandy Moore Distributing, tells us the firm will move part of its showrooms to Freeport where Al Kerner, of Sak Trading Co. will spend his time jobbing games for most of the Chi lines. Al has experienced many years in the business, both operating and jobbing, so the job is nothing new to him. He knows the business. Meanwhile, according to Kerner, conditional sales contracts continue to flow smoothly through the offices of Sak Trading. Allie Goldberg will remain in N.Y.C. with the new set-up and Sandy will move back and forth from Freeport to N. Y. . . . Harry Koeppel, Geo. Lewis, Koeppel Distributing, take time out to discuss the current Roland sales and from all indications they must be pretty good. Harry advised that brother Hymie is in tip-top shape after several weeks in Mesa, Arizona. . . . Barney "Shugy" Sugerman, Runyon Sales, back after a Caribbean cruise and looking better than ever. "Rather than go through the usual tumult just sat back and looked at the stars," said "Shugy". Sounds dull, but looked great! Myron Sugerman still holding down the export end of business with some nice orders cabled in just as we arrived. Irv "Kempy" Kemp hit the upper N. Y. State road last week and did fine for himself. Irv is busy with ops during the evening as well as the daytime and also manages many association meetings as possible. Morris Rood had an office full of coinmen doing business but took time out to say "hello" and advise that business is just fine. Myron advised that the Runyon export business has touched on less than 11 different countries and 3 continents with prospects of more business from these spots. The Runyon staff is talking about a new record which is rare, entitled "I Want A Girl", by Bruce Hayes, Dwain record artist. Seems N. J. outlets are selling it fast. . . . Ray Squire, Cortla Amusement, Peekskill, N. Y. and Sol Kornblum visited the Tenth Avenue scene earlier in the week in search of equipment. . . . Funny thing happened on Tenth Avenue last week. Within a space of about twenty feet four of five coinmen in that area were named "Al". Simon, D'Inzillo, Miniaci, Kerner, all with different thoughts but the same first name. Good thing body yelled "Hey, Al!" We'd have been stamped! . . . Tom Greco, Gr Bros. Amusement, down from Glasco to visit with distributors, finds himself either following us or being followed as we head for the same destination along coinrow. . . . Mike Munves, Mike Munves Corp. tells us the firm's "Grip-Test" unit is selling very good and that several distributors in the country have applied for a franchise. Several choice territories still open. . . . Mrs. Ben Fagin, Westchester operator, makes the rounds replenishing coin route. . . . Dave and Sylvia Lowy, MJL Operating, keep things moving at the shop as Dave handles the repairs and Sylvia the books. . . . Irv Holzman, Black Sales Co., tells us the United equipment is doing very well; that the export end is holding up well. . . . Meyer Parkoff, Atlantic New York Corp., reports strong sales on the Seeburg Model "Q" while Murray K manages the visiting ops. Parkoff is doing a fine job with the export market and the new vending line drew quite a few inquiries during the week. . . . Simon, Albert Simon, Inc., happy over the way ops are taking to the ChiCoin "Drop Ball" game. Al D'Inzillo busy with the Auto-Photo machine business and concentrating on the ChiCoin "Playland Rifle Gallery" as prospective buyers drop by. Ann Kelberg wishes to thank the coinmen who contributed to her City of Hope drive and reports that the outcome was financial success for the worthy charity.

Coinmen Extend Hands Across The Sea In Greeting A.T.E. Conventioneers

— CHICAGO CHATTER —

On this—the eve of the much heralded 12th Annual Amusement Trade Exhibition convention, February 2, 3 & 4, in London, England—coin machine manufacturers, distributors and operators in this area extend their warmest greetings to their colleagues overseas. Meanwhile most coinmen here advise that they are unable to make the long journey across the Atlantic Ocean to see in the many exhibits due to the heavy game and music activity during its first quarter cycle. One general prediction being stressed by all concerned is that there will be a marked acceleration in foreign as well as domestic markets through 1960.

Balley's Art Garvey is all smiles these days when he explains to us that Bally's "Beauty Contest" is definitely a winner. In fact, this single-ball pinball amusement game is creating such wide activity in the coin world Bill O'Donnell and Herb Jones are glued to their telephones accepting repeat orders and unavailable for comment. Herb took just a few moments just to remind us that the big meeting of the executive committee and affiliate members to make it a point to attend this vital fund raising session, which will continue on through the day until a definite fund raising program is agreed to by a majority of those present at the meeting. Lou Casola, president of the organization, and head of Mid-West Distributing Company, assures us he'll call the meeting to order promptly at 11 a.m. George A. Miller, president and managing director of the Music Operators of America, will come to Chicago from his office in Oakland, California for the meeting.

We extend deepest sympathies and sincerest condolences to the family of vet coinman Joseph Bak, who died January 22 after a lengthy illness. Joe, who was 50 years of age, was assistant plant superintendent at United Manufacturing, starting with that company when it was established.

Nate Gottlieb reports terrific sales impetus with D. Gottlieb & Company's "Seven Seas" 2-player pinball game. Judd Weinberg expresses keen optimism during 1960 for Gottlieb's export expectations. He stresses the fact that his feeling is soundly based on a continuous upward trend in his department. Meanwhile Dave Gottlieb, currently basking in the Miami Beach sunny climate with his lovely Dorothy, happily reflecting on the pleasant fact that construction on the Gottlieb Memorial Hospital is progressing right on schedule. A million of the required \$3½ million has already been raised in the fund drive Gottlieb established with a \$750,000 contribution in memory of his late father, for whom the hospital is named. . . . Visitors in town this past week were Bob (Big Bob) Portale, vice president of Automatic Sales of San Francisco; and Herman Miller, Paster Distributing of Minneapolis and Milwaukee.

They were seen frolics at the swank Chez Paree, roundly praising Tony Bennett's musical renditions during the show, in the company of United Manufacturing's Bob Oettinger and Bill DeSelm, and Stan Levin, All-State Coin Machine Exchange, and Jack Du Hasek, district sales manager of the Merchant Shippers Association. Stan Levin advises that he's stepping up export business All-State considerably, and expects 1960 to be a big year for his firm. . . . LeRoy Kraehmer, executive vice-president of United Music Corp., and Johnny Casola, president of the entire week around Knoxville, Tennessee following their showing of United's UPB-100 phonograph, January 22 and 23, at the New Holiday Inn there. Bill DeSelm informs that the affair was very well attended by local distributors and operators.

Paul Huebsch, vice-president of J. H. Keeney & Company, is all smiles these days, especially since Keeney's "Hi-Straight" pinball amusement game "Criss Cross Diamond" electronic upright game are selling so heavily in markets. Paul made it a point to extend his and Roy McGinnis' greetings and best wishes to all their friends in Europe during this gala A.T.E. convention time. . . . Gil Kitt, owner of Empire Coin, tells us delightedly that since Chicago civic officials approved the licensing of Auto-Bell's "Magic Mirror" Horoscope sales have been just short of phenomenal. Joe Robbins, sales manager, tells us that export business is certainly a big factor at Empire Coin, and shows increasing growth day by day. Jack Burns is kept on the long distance phone constantly these days. Jack opines that 1960 will be a great year for coinbiz in general.

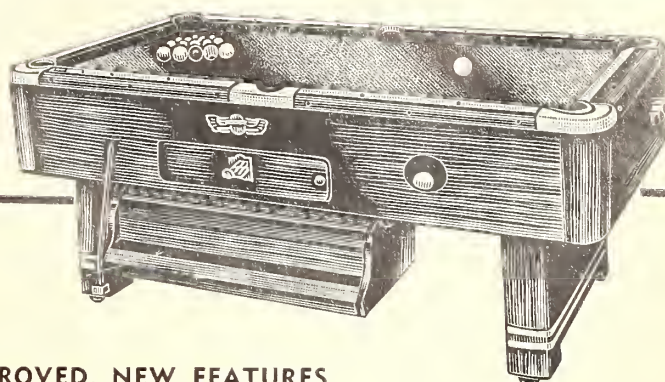

Art Weinand, sales director of Chicago Dynamic Industries, reports excellent sales with Chicago Coin's Bulls-eye "Drop Ball" amusement game. This game achieved immediate and great acceptance from the nation's operators just as soon as it was released to the trade, according to Art. . . . One of the happiest guys in this ol' town is definitely Al Warren, sales manager of Auto-Bell Novelty Company, who is doing handstands over the great success Empire Coin is having with "Magic Mirror" Horoscope amusement games. Al, of course, credits Chicago licensing approval, giving Empire the opportunity immediately to go all-out for maximum sales. Meanwhile, Al assures us, he's also getting excellent reports from other markets. . . . Tom Herrick, Seeburg, advises that the reaction to the Business Week cover story on prez D. W. Coleman, has been most gratifying. . . . George

Cher, advertising and sales promotion director of Rock Manufacturing, returned to his office last Tuesday after an hectic road trip through the southeastern part of the country. He's looking forward to a little rest, however heavy load on his desk argues that point quite well. . . . Edward Doris, executive vice-president of Rock Manufacturing, and Frank Mitchell, director of sales hinted to us last week that they are experiencing a fantastic first quarter sales record to date. It should continue to increase, according to George.

Joe Kline, Sam Kolber and Fred Kline, First Coin Magazine Exchange, ask us to relate the following message from all of their friends overseas: "We extend our warmest greetings to all our customers, and our thanks for your cooperation in all of our business dealings. We're sorry

we are unable to attend the A.T.E. convention in London. Please look us up and accept our hospitality whenever you come to the U. S. A. — Ben Coven

is currently touring the nation exhibiting his marine equipment line in the traveling Boat Show. Irv Ovitiz is holding down the fort at Coven Music, handling the music and amusement games departments during Ben's absence. . . . Standard-Harvard's Andy Wierdak reports continued excellent sales results with Standard-Harvard's "Metal-typer". . . . Nate Feinstein and Harold Schwartz, co-general managers of Atlas Music Company, issued an interesting report to us last week. It hinges on the fact that Atlas Music is enjoying great interest among operators with the Seeburg "1000" background music unit. Operators are being called upon more and more these days by many factories inquiring about the installation of background music in plants. This, according to Harold, offers the operator a much wider scope in his operation, with vending equipment as well as background music. Another interesting note from Atlas Music expresses the fact that Atlas will exhibit the Seeburg background music unit and cigarette vending machines at the National Purchasing Agents' convention, February 16, 17, 18 and 19, at the Morrison Hotel in Chi. The exhibit will be attended exclusively by Atlas Music personnel.

Exhibit supply is still hard at work setting up the new plant, according to Chet Gore, president of Exhibit. . . . Sam Stern, president of Williams Electronic Manufacturing Co., tells us Sam Lewis is expected back at his office the latter part of the week. The "Golden Gloves" and "Fiesta" pinball amusement games are maintaining good sales in all markets. . . . John Frantz, prexy of J. F. Frantz Manufacturing, stepped up his production schedule last week to meet the demand stirred up by sales chief Dave Brody during his eastern trip last week. . . . World Wide's Joel Stern regrettably decided that the pressure of business would cause postponement of his anticipated flight to London for the A.T.E. convention. Joel extends not only his regrets to all of his friends abroad, but his very best wishes for a very successful showing. . . . Bob Greene, Tower Distributors, tells us that everyone who comes in to look at the new Wurliitzer "2400" model phonograph falls in love with it. The important thing, according to Bob, is that they're ordering it.

Estelle Bye, Marvel Manufacturing, advises that prexy Ted Rubey is still enjoying his California vacation despite the constant "liquid sunshine" which keeps the ground quite "drenched". . . . Mike Detzek, Champion Distributors, tells us Charley Gerhart, of the sales staff, was seriously injured in a recent auto accident. He suffered internal injuries and a fractured ankle. He is hospitalized in Kingfisher, Oklahoma.

England's P. O. A. Starts Fourth Year

LILIAN SHAW
Hon. Sec. P. O. A.

LONDON, ENG.—The Phonograph Operators Association came into being in 1956 by which time the industry over here had become sufficiently strong to make desirable the formation of an association to protect the interests of operators throughout the country. Prior to this time the phonograph—or juke box—had been slowly establishing itself in England over a number of years. Before 1935 it had only appeared in a few fun fairs but gradually more firms entered the trade installing equipment in clubs, licensed premises and other places where music could be used as an amenity to trade. The biggest boost to popularity came with the war when Americans came over to open service clubs for their forces where juke boxes were featured. British service clubs like The Nuffield Centre and the N.A.A.F.I. followed suit.

Much of the credit for the formation of the P.O.A. is due to Mr. Cecil Jones, Managing Director of Automatic Musical Instruments (GB) Ltd. who became its first Chairman which position he held until his resignation two years ago. The present Chairman is Mr. Bernard Briggs of Modern Enterprises Ltd. As Honorary Secretary

of the Association Mr. Jones was fortunate in securing the services Mrs. Lilian Shaw—whose experience as a phonograph operator dates back to the early 30s—and who has remained as Honorary Secretary ever since.

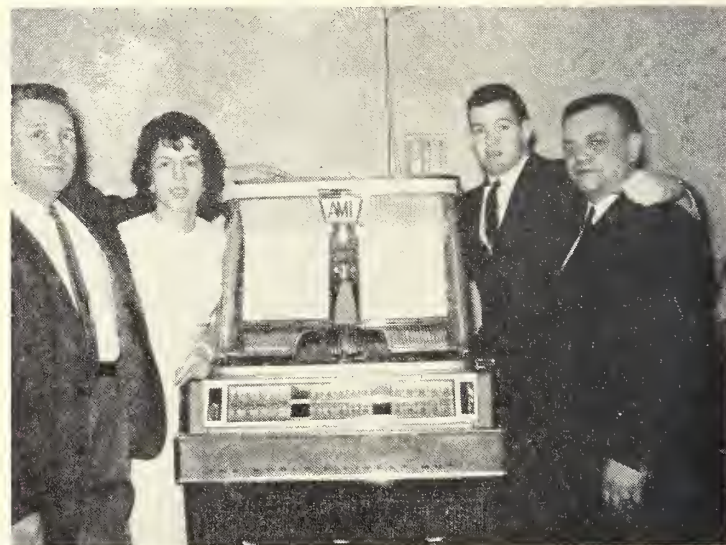

In an interview with *The Cash Box* Mrs. Shaw outlined the Association policy. She said "Our aim has always been to consolidate the industry that operators throughout the country may be given guidance as to the most suitable methods of siting, maintaining and operating their boxes". Advice and assistance is given to members on problems as diverse as insurance, income tax, licensing and the handling of legal battles involving court actions. The high esteem which the Association is held may be gauged from the fact that in nine cases out of ten the result has been in favour of the operator.

The Association, which is open to all, is governed by a council consisting mainly of operators. The annual membership fee, which may vary, is five guineas for Operators, ten guineas for Distributors and five guineas for Manufacturers. Membership, like the industry, has grown considerably and now numbers about 70 of this country's operators.

Monthly meetings are held in London to which members travel from all over the country. The next meeting is in March. Area meetings are also held in various parts of the country which are attended by local operators.

Of the future Mrs. Shaw says "Music is something which all of us enjoy and providing care is taken to control the volume and to programme the boxes with tunes which cannot possibly give offense, juke boxes are playing an important part in the relaxation of the masses. The trade is now producing all types of machines—hideaways as well as visual machines—and in the better establishments the hideaways are gaining considerable popularity. There is a tremendous future for the industry and it is the aim of the Association to see that it progresses in a way which will give offense to nobody but which will become part and parcel of the natural way of life."

Miller-Newmark Shows "K" At Tavern Affair

GRAND RAPIDS, MICH. — Jack Gallagher, Miller-Newmark Distributing Company, this city, has advised that the firm displayed the AMI Model "K" phonograph to the Tavern Owners Association during the annual dinner-meeting of this group, recently.

"More than 600 bar owners viewed the new Model 'K'", stated Gallagher, "and we found that the even-

ing was a tremendous success."

Pictured above, from left to right are Mr. and Mrs. Earl Edwards, Michigan Amusement; Terry Barr, Bafield star of the Detroit Lions professional football team; and Leo Smigel, president of the Tavern Owners Association.

Assisting Gallagher during evening's program was Frank D. service manager for Miller-Newmark.

Munves Exhibits At London A.T.E.

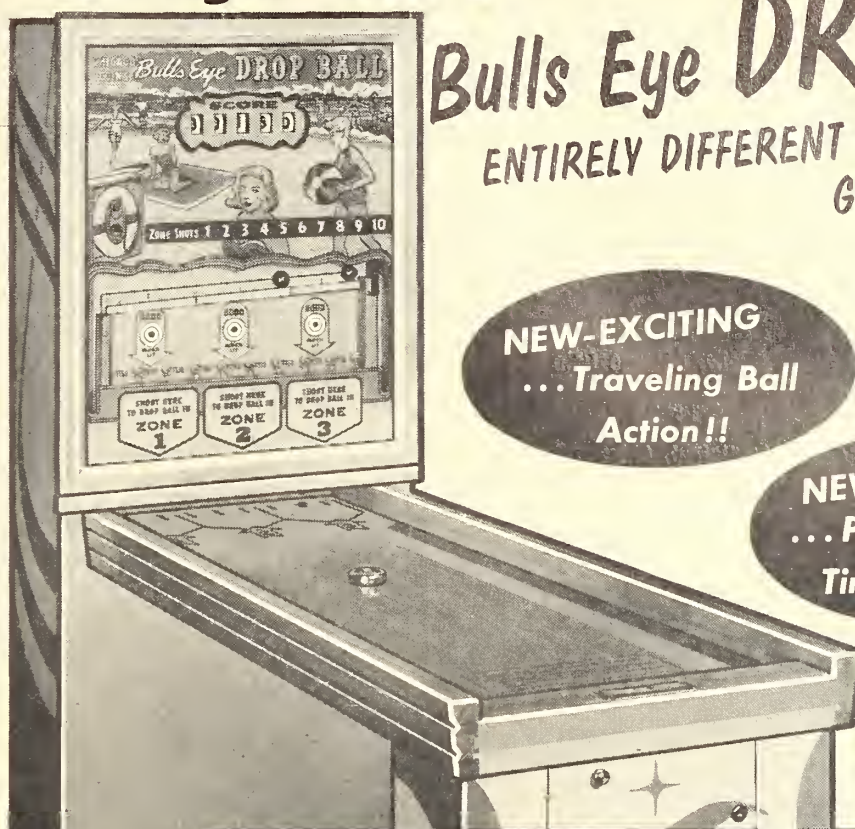

JOE MUNVES

LONDON, ENG.—Joe Munves, vice-president, Mike Munves Corporation, New York City, is in London for the opening of the Amusement Trades Exhibition at New Royal Horticultural Hall. The Munves organization is contracted for exhibit space in and 121 and will have available to the trade information pertaining to the arcade and coin-operated business. Munves has operated, distributed, and manufactured arcade equipment since 1912.

According to Joe Munves, who arrived back in London this week, after tour of France, Belgium and Italy, the firm's export business has increased somewhat after European buyers were acquainted with the Munves firm's catalog and arcade installation background.

The Munves Parts and Supplies catalog, an annual publication, is scheduled to be released after Joe Munves' return to N.Y.C. At this time the firm is using the 1959 Catalog which is available at Booth 121 during the A.T.E. show.

With the flu epidemic in Southern California still raging, almost operators and distributors report the business pace as being definitely "off." Wayne Davis, at Minthorne Music, reports the last two carloads of more than 222 Seeburg phonographs were sold and that the operators were very satisfied with the special prices offered on the machines. The prices on used Seeburg phonographs have been staying very high the past year and are now the highest in the history of Seeburg equipment. Wayne went on to say that demand is running very strong for all late model Seeburg phonographs. Another shipment of Seeburg Cigarette machines just arrived with sales continuing at a fast clip, said Wayne. . . . The new building will also provide park space for American's customers. Bill stated that they are also looking for additional personnel. Bill wanted to add that he is now in the process of moving into his new home. . . . At California Music, Sam Ricklin states that Bob Thiele and Irv Stimler, of Hanover-Signature Records, are in town from New York and stopped by to say "hello." Peach State's 1960 Parts Catalog Ready

134 Page Guide To Feature Charts, Illustrations

ATLANTA, GA.—Bill Ray, Peach State Music Company, this city, general manager of the Peach State Atlanta office, announced that the firm's annual parts and supplies catalog will be mailed to the coin machine dealer in the United States and Europe starting next week.

"Our 1960 Coin Machine Parts and Supplies Catalog will be the largest catalog ever published to my knowledge," said Ray. "It will total 134 pages with illustrations, charts, and helpful information pertaining to the phonograph, games and vending machine industries.

"We have worked for almost one full year on our catalog and the result is one million dollars in information for the trade. Charts have been prepared to indicate the use of specific parts in various coin operated units. For instance, a motor will be cataloged, illustrated, and all information listed, with a chart showing exactly what games can accommodate this motor, a most important set of economical and efficient parts finding. A fluorescent tube will be shown in detail with a complete list of all equipment that will take this particular tube. Hundreds of items are treated this same way.

"We have enlarged our billiard supply section to six full pages of illustrations and listings, the largest ever compiled.

"I believe our 1960 Parts Catalog could have to sell for a fortune if we

British Capital Outlay To Rise 16% In 1960

LONDON, ENGLAND—To members of the coin machine industry, particularly when they are this week attending their 16th Annual trade show, Amusement Trades Exhibition, and are planning for the future, a report by the Board of Trade is of the utmost importance.

British industry as a whole is expected to increase its fixed capital expenditure by 16 per cent in 1960, according to figures published by the Board of Trade. They show that private industry and business now plans to spend 14 per cent more than in 1959 on fixed assets for use in manufacturing industry, and about 20 per cent more on assets for other industries and services. It is estimated that the iron and steel and the motor vehicle industries now expect to spend half as much again in 1960 as in 1959.

This information is highly important to the coin machine industry, as with increased spending throughout the nation, the patrons of the industry's equipment will spend its proportionate amount on entertainment. The operators can anticipate this revenue and place the best possible money making machines in the proper outlets.

were in the publishing business. As it is, we are mailing the catalog free of charge to our mailing list and advise all coin operated firms who do not receive it to contact us," concluded Bill Ray.

OK!

There's delighted approval for the "K", no matter who you ask.

It's OK with patrons who want their money's worth of music and fun.

It's OK with locations that want a top take-maker that's really trouble free.

It's OK with the service man who knows the value of sound engineering developments.

And, as route profits climb, operators agree that the "K" is OK in every way.

THIS WEEK'S USED MACHINE QUOTATIONS

How To Use "THE CASH BOX PRICE LISTS"

FOREWORD: Many times, wide differences appear in the quotation of high and low prices of certain equipment. Like any true reporter "The Cash Box Price Lists" can only feature the market prices as they are quoted. "The Cash Box Price Lists" act exactly the same as the market quotation board at the Stock Exchange—posting the prices as they are quoted for the past week, regardless of how much they may seem to be out of line. Some prices do not change for months. "The Cash Box Price Lists," rather than show no price, retain the last known quotations for such equipment so that the subscriber at least has the last known prices as a basis to work with. Prices may be very widely divergent. Someone on the West Coast may feel a certain machine worth \$150.00 whereas someone on the East Coast may think it worth but \$75.00. Of course, serial, appearance, demand, territory, quantity, and condition of equipment must be taken into consideration. (Some equipment offered by outstanding firms, having a reputation for shipping completely reconditioned machines, will be offered at higher prices than others, due to the added cost of reconditioning.) "The Cash Box Price Lists" reports each quotation exactly as it is made and depends on the subscriber to make average price adjustments to fit the peculiarities of his territory.
